**NEBRASKA PROFESSORS
LEAVE FOR VACATIONS**

Professor Chatburn of the department of Applied Mechanics and Machine Design, is making a tour in the east. He will represent the university, June 13, at the Massachusetts Institute of Technology; June 16, at the Society for the Promotion of Engineering Education, at the University of Virginia, and June 25, at the American Society for Testing Materials, at Atlantic City. He is expected to return to Lincoln soon after the first of July.

Samuel M. Parker, Commandant of the cadet regiment, has gone to Denver for the summer.

Dean Engberg has gone to Ogala, Wash., for the summer.

Dr. Clapp, head of the Physical Education department, has gone to Estes Park, Colo.

Miss Graham, dean of women, is in Dayton, Ohio, for the summer.

Mr. Davis, assistant professor of Rhetoric, goes to Madison, Wisconsin the last of this month.

Mr. B. S. Elliot, associate professor of Mechanical Engineering, is at North Platte.

BRIEF BITS OF NEWS

Miss Lucille Leyda, '16, has been elected to the position of physical director at Whittman College, Walla Walla, Washington.

Mr. C. J. Frankforter of the Chemistry department, left Sunday for the University of Minnesota, where he will take work toward his Ph. D.

Mr. and Mrs. Zethwell and Mr. and Mrs. Chauncey Smith, leave Wednesday for Chicago university, where they will take work during the summer.

There will be an organization meeting of the summer school tennis club today at 1 o'clock, in the Students' Activities office. All who intend to play tennis during the summer should attend.

Miss Isa Reed, assistant in psychology during the past year, has gone to Nebraska City, to gather data for her Master's thesis, by observations and experiments at the Nebraska School for the Blind. Miss Reed gets her Master's degree at the end of summer session and in September goes to Smith College, where she will hold a fellowship in philosophy during the coming year.

Teachers' High School

The Teachers' High School, which is in session this summer for the study of supervision and teaching, has an enrollment of more than one hundred. The high school is intended primarily for study of supervision, but offers excellent opportunity for high school

students to make up a course or two in high school subjects.

Mr. and Mrs. Gish expect to leave tomorrow for Kansas, where they will make a short visit with relatives before going to the University of Chicago. Both will take work leading to the Doctor's degree, Mr. Gish in Mathematics and Mrs. Gish in Chemistry.

GERMAN CLUB ORGANIZES

Dahlstrom, Tekla Alexis, and Ella Blunk.

The elements had made it impossible for Professor Fossler to be present to deliver his speech, and the president therefore called for impromptu speeches in German from Felician Fritzier, August Dahlstrom, Ella Blunk, and Alexander Beyer. All responded nobly to the occasion.

The singing of German songs was a feature of the program, and "Die Wacht am Rhein"; "Du du liegst mir im Herzen"; "Deutschland uber alles"; and "Tannebaum," were sung with splendid spirit.

During the social hour games were made use of that assisted the members getting acquainted with each other. An attempt to play "Bring Back What You Borrowed," in German, proved highly successful. "Teller, Teller, drehe dich," was played with teutonic vigor.

The German Club is open to all members of the University. It is hoped, therefore, that all interested in German conversation or German song and a social hour, may attend the meetings, the next of which is held Friday of this week in Faculty room, University Temple.

This is the year in which everybody is arranging to have a photograph made on their birthday; a record which you, perhaps, have neglected. Let Townsend serve you. Studio, 226 So. 11th St.
