A SALE OF HIGH GRADE NEW PINCH BACK SUITS AND PINCH BACK OVERCOATS  
 NOW IN PROGRESS  
 At the Store Ahead

One of the elements of satisfaction in doing business on the big volume, small profit idea, is that when a high class maker of Clothse finds a surplus on his hands, this store can take it over and give the public the benefit of reduced prices right in the heart of the season. This happens to be the case in the big sale of Suits and O'Coats now going on here. We not only bought them from a house that is well known for "quality first" Suits and Overcoats, but we paid spot cash to get them at less than maker's cost. Therefore we are actually saving you from \$5 to \$10 on the newest "now in demand garments," because we keep our prices down as the maker kept them down to us.

NOTE THE SAVING—THEN DO YOURSELF A GOOD TURN BY SEEING THE COATS

NOT A GARMENT IN LOT WORTH LESS THAN \$20 AND UP TO \$25

All are new and tested fabrics—as you know we never allow anything but the best to enter our stocks. All carry the same guarantee as though you paid full price. You can choose with your eyes shut and be pleased ever after with the coat you select. All are new models; sizes to fit every man, Swagger, loose back Coats, some lined thruout, others with satin lined sleeves and shoulders.

Man can judge something of their value when we say this is one of the luxuries of the wide awake buying, and it makes us feel good at times to give our patrons the benefit.
