**VENUS 10¢ PENCIL**

17 Perfect Degrees from 6B Softest to 9H Hardest and hard and medium copying

Like a soft-leaded easy marking pencil! Take the higher numbered B's such as 3B, 4B, 5B. For the extreme limit of softness 6B is without an equal and is used by many as being the ideal of all pencils.

Medium degree is HB. H's are the harder grades, 2H or 3H being medium hard, and 6H, etc., being used for thin, clear, fine lines of detailings. Your professors will confirm these statements as to the merits of VENUS pencils.

**Note the distinctive VENUS water mark finish when you buy.**

**VENUS ERASER**

is beautifully smooth and even in texture. It rubs out pencil marks perfectly. Grav, and does not cause discoloration. 12 sizes from 100 to a box to 4 to a box. Box price \$2.00. Venus Erasers are the best erasers.

Ask for them by name.

### MISS CONKLIN'S PARTY FOR FRENCH STUDENTS

The advanced students in French were given a party by Miss Clara Conklin, head of the French department, Saturday evening, at the Woman's building. About forty of the French enthusiasts were present. One of the requirements of the evening was that all talk French and the guests managed to make themselves understood with difficulty at times. Blanch Burstetta sang two French songs.

When the guests sat down to the table around an enormous cake, it was understood that whoever got the piece containing the lucky doll was to be crowned king. This honor fell upon Edward Taylor, who immediately crowned Winifred Miller. The queen upon receiving the compliments of the guests gave each a tiny favor.

### Y. W. C. A. CONFERENCE AT LAKE GENEVA AND NOT AT ESTES PARK

Nebraska girls may be interested in knowing that the Y. W. C. A. conference will be held at Lake Geneva, Wis., this summer instead of Estes park. The change has many advantages. Lake Geneva is the oldest conference ground in the country and

most of the larger schools of the middle west meet there.

The lake offers opportunity for all kinds of water sports which will contrast with the mountain tramps and scenery of Estes park. Ohio, Wisconsin, Michigan, Illinois, Minnesota, South Dakota and Nebraska girls will meet at the conference. Last year there were nine hundred college girls at the Geneva conference and with

the addition this year of South Dakota and Nebraska the number should reach one thousand.

Orville Brace, '16, and H. B. Thompson, ex-'18, were visitors at the Sigma Nu house last week.
