## THE UKULELE

THE languorous charm of the  
 Hawaiian native instruments—so  
 moving in appeal, so observably  
 in vogue—is strikingly characteris-  
 tic of the Ukulele. Its tone possesses that  
 curiously beautiful timbre, that exotic  
 charm of tonal quality which has  
 made these instruments so sensation-  
 ally popular.

The Ukulele has a pleasing grace of  
 form. The finer models are made  
 of genuine Hawaiian Koa wood. It  
 is much in request today among the  
 smarter college and other musical  
 organizations.

It is easy to learn. Its price includes an  
 Instruction Book.

#### Hawaiian Steel Guitar

Every chord struck upon this typically rep-  
 resentative Hawaiian instrument is marked  
 by a weird, plaintive harmony and strangely  
 beautiful qualities of tone. It brings, to any  
 music, qualities full of vivid color and var-  
 ied charm.

Price \$8.00 and upwards, including Steel and Set of Three  
 Thumbies for playing, and Instruction Book.

Catalogs on application.
