PRICE FIVE CENTS

MUSIC AND GAMES AT CORNHUSKER PARTY

Second Cornhusker Party to Be Held Saturday Night at the Armory.

George and Martha Washington Will Entertain All University Students.

The second great Cornhusker party of the year will be held Saturday at 8 o'clock in the University Armory. The night has been closed on the schedule and the affair is thrown open to the entire university.

A novel entertainment featuring Washington's birthday has been planned and students may revel in true holiday spirit with music, games and dancing to while the evening away. The party tomorrow night will probably be the last all-university gathering of the year and the committees in charge are planning to make it surpass even the best that have gone before.

"Washingtons" to Entertain

The program committee has planned a very unusual entertainment. George and Martha Washington (upperclassmen hitherto unknown) will receive the guests. George Washington will make a welcoming speech and Martha will sing. There will be a harp solo by Marjory Shanafeldt and a duet dance by Ruth and Ruby Swenson. Dorothy Towner will play the violin and the quartet consisting of Cable Jackson, Herman Schroeder, Floyd Paynter and Charles Atkinson will sing. The last number on the program will be a minuet by eight girls, Marjory Barstow, Fae Breese, Margaret Lange, Ruth Fickes, Ruth Debois, Genevieve Lammes, Gertrude DeSautelle, and Donna Gustin. Everyone who takes part in the program will be in costume.

The chapel and the armory will be decorated with cherry trees and flags. Refreshments will be served and the ballroom (armory) opened by George and Martha Washington about 9:30 o'clock. The University orchestra will furnish good jazz music. The fee will be 30 cents including the war tax.

OPEN FORUM SERIES MEETINGS POPULAR

The second meeting of the Open Forum series, held on Sunday afternoons at 2:45 is to take up the discussion of Citizenship. There will be three live speakers—one discussing citizenship from the standpoint of the schools, Supt. A. H. Dixon, an old school man, will present this phase. A legislator will present the phase dealing with the state. The duties and privileges of the individual citizen will also be taken up.

These topics will be given twelve minutes each, and an opportunity following for questions. As an opening feature, Mr. Jenkins' band will give a brief concert, and the Liberty Day parade pictures taken in Lincoln November 11th will be shown.

Last Sunday the lower floor of the Orpheum Theater was packed, with fifty people in the balcony. Next Sunday the meeting will be open for men and women alike, which assures a crowded house.

This is the opportunity for students to discuss with the leaders of present day problems, the vital questions of the day. Let's fill the house and give Lincoln the benefit of our attendance and contribution, as students of prob-

"N" CLUB TO INITIATE NEW MEMBERS THURSDAY

The "N" Club lunched at the Commercial Club yesterday noon and decided to initiate new members next Thursday at 7 o'clock in Dr. Stewart's office. There are nine or ten letter men around the campus who have not been taken into the fold. Several old letter men who were never initiated are now back and will greatly strengthen the organization.

The "N" Club has a big task ahead of it. It has undertaken to supervise the state high-school basketball tournament. Arrangements for the games and the entertainment of the visitors will be in the hands of Nebraska, the Cornhuskers' letter men. One hundred and twenty-five teams and 5,000 students will be in Lincoln for the tournament—which indicates the size of the job which the "N" Club carry through.

FRATERNITIES TO HAVE BASKETBALL TOURNAMENT

Council Rules Out Men Who Have Participated in Missouri Valley Games.

The inter-fraternity basketball council met in Dr. Stewart's office yesterday morning. Schellenberg was elected president, Pickett vice-president, and Jackson secretary-treasurer. A schedule committee was appointed and the line-up will be given out Monday.

The council departed from previous custom by ruling that any man who had played in a valley game could not participate in the tournament. This ruling will cut down the strength of several of the Greek letter organizations, which were counting on their varsity men to clean up. The number of frats entering teams is not exactly known, but the tournament will be a good one and some keen rivalry will be worked off next week.

PLANS FOR DISTRICT DEBATES COMPLETED

The work on the district debates is progressing rapidly. For some time the students have been compiling material for their speeches. The preliminary work is finished, and the final rounding out of speeches is in progress. The districts are organized, and plans completed for the first contests.

THATCHER TO DELIVER COMMENCEMENT ADDRESS

R. W. Thatcher, dean of the agriculture department at the University of Minnesota, will speak at the commencement exercises of the School of Agriculture, which will be held April 25 at the Temple. Dean Thatcher is a graduate of Nebraska, receiving his B. Sc. in 1898 and A. M. in 1901. He was formerly director of the Experimental Station at Pullman, Washington.

WANTED—STUDENT

For work on Business Management of DAILY NEBRASKAN. See Manager at Student Activities Office between 11 and 12 o'clock.

THREE HOURS CREDIT FOR MEN IN S.A.T.C.

Second Year Basic Training Necessary for Admission to the Senior Division.

Telegram from the District Inspector for R. O. T. C. Throws Light on Situation.

Rumors have been circulating on the campus recently that the military work in the S. A. T. C. would not be granted. This report was immediately nipped in the bud by action of the university officials, who declare that three hours credit would be given for services rendered in the S. A. T. C.

The Commandant is in receipt of a telegram from the district inspector for the R. O. T. C. department of education, which endeavors to throw light on the situation: "It is believed that a good deal of misunderstanding exists among institutions of this district as to the position of the committee with regard to granting credit to apply on the R. O. T. C. or for other services rendered in the military forces. The committee has had this matter under consideration for some time, and the following wire is quoted for your information:

"Credit for S. A. T. C. service or any service cannot be granted until congressional authority can be obtained. The committee desires to recognize service in the army and has requested congressional action."

Commandant Frankforter does not question the authority of the university on its stand in regard to compulsory military drill, but he is inclined to think that the congressional action might change matters. All men, however, wishing to enter the senior division of the R. O. T. C. unit must have the first and second year basic training. Students contemplating taking the advanced course should register at once in military training.

'A DOLL HOUSE' PARTY TO BE GIVEN BY DRAMATIC CLUB

Play to Be Given in Honor of the Governor, Legislature and Faculty.

The Dramatic Club will present for the second time Ibsen's play, "A Doll House," in the Temple Theater, Wednesday evening, February 26. The play is to be given in honor of the Governor, members of the State Legislature and Faculty of the University.

The cast of the play is the same as that appearing in the play two weeks ago. Leonard Woolen as Torvald and Lea Lipsey as Normal Helmer play the leading roles. The other characters are these:

Mr. Krogstad.....Mark Johnson
Dr. Rank.....Alfred Hinze
Mrs. Linden.....Irma Wolfs
Anna.....Genevieve Addleman
Ellen.....Stella Mae Lewellen

There will be a limited number of seats remaining which the students who were unable to see the play the first time may procure for twenty-five cents. These seats will be on sale at the college book store Monday morning, February 24.

HAINER SCHOLARSHIP CUP AWARDED AT CONVOCATION

Mr. Homer Compton, accompanied on the piano by Miss Minnie Studer, gave a program of songs at convocation yesterday morning.

The Hainer scholarship cup was awarded to Sigma Nu in recognition of their rank at the head in the scholarship standing of the national Greek fraternities last year.

Mr. Compton sang:
Where'er Ye Walk.....Handel
When the Bloom is on the Rye.....Bishop
Songs My Mother Taught Me.....Dvorak

Wandering.....Schubert
By the Sea.....Aylward
Beloved, It is Morn.....Aylward
I Had a Dove.....Busch
A Banjo Song.....Homer
Inter Nos.....MacFayden

MANY ENTRIES BEING MADE FOR HIGH SCHOOL TOURNEY

Filings for the Annual State Basketball Tournament Indicate Larger Meet Than Usual.

Entry blanks for the state high school basketball tournament are beginning to come in. Next Friday will be the last day for the filing of entries and next week will find them flooding Dr. Stewart's office. The slowness with which the entries have come in so far is accounted for by the general disorganization of basketball schedules throughout the state.

All indications point to as large a tournament as ever and perhaps a larger one than usual, when the high school men from all over the state begin to pour into Lincoln from March 22 to 25. It was feared for a while that the prolonged closing of the schools on account of the "flu" would keep many teams from organizing and coming to the tournament. These fears have been dispersed, however, during the past week. Reports have come in from all over the Cornhusker state, although they have been slow in getting started.

DEAN STOUT ADDRESSES ENGINEERING SOCIETY

The first meeting of the Engineering Society was held February 20 and was addressed by Dean O. V. P. Stout, who spoke of his army experiences and made some general observations and deductions therefrom.

The Engineering Society has instituted a new procedure and will hereafter have its regular meetings on the afternoon of the third Thursday in each month. It has been possible to work out the engineering schedules so that the period from 3:00 on is open for this course.

Quoting A. M. Wellington, Dean Stout stated "that engineering schools would be benefited by being colored by military discipline. The technical demands of engineering training are rather closely related to the similar demands of military training.

"It has been recognized that because of the demand of engineering discipline the young engineer is the best material out of which to make military officers.

"One of the differences between military engineering and the several non-military branches of engineering, is the effect that costs play in influencing plans. The military engineer

"RAG" SUBSCRIPTION CAMPAIGN A SUCCESS

Few Students Escape the Solicitors of the Fraternity and Tag Day Drives.

Every Sorority Backs the Nebraskan with 100 Per Cent Subscriptions.

The recent Daily Nebraskan subscription campaign which closed with Tag Day last Tuesday was one of the most successful ever conducted by the management of the paper. The drive came to an end with every sorority backing the "Rag" with 100 per cent subscriptions and all but three fraternities reporting completed quotas. Each of these fraternities and sororities will receive a Cornhusker as a reward.

Few students escaped the solicitors of the fraternity and Tag Day drives and the management of the paper now feels safe in asserting that the student body is solid in its support. The faculty subscription list, however, does not show such a high rating and the books will be kept open for them this week. Papers are delivered to members of the faculty at their offices every morning. If solicitors have failed to reach any of them they may leave their subscriptions at either of the Daily Nebraskan offices.

The sororities and fraternities reporting 100 per cent standing are:

DR. FARQUHAR TO TALK ON PROBLEMS OF INDIA

Arrangements have been made with Dr. Farquhar of India, who is touring this country in behalf of the World Fellowship movement of the Y. M. C. A., to spend Friday of this week at the University.

Preparations have been completed for a luncheon City "Y" Friday noon, at which time Dr. Farquhar will give a short lecture on some of the problems of India.

All of the faculty men of the University are invited to attend this luncheon and meet Dr. Farquhar. This should be a most important gathering.

At 4 o'clock Friday Dr. Farquhar will address a joint meeting of the Y. W. C. A. and Y. M. C. A. at the Temple.
