VOL. XVIII. NO. 102.

LINCOLN, TUESDAY, MARCH 4, 1919.

PRICE FIVE CENTS

KOSMET OFFERS 100 DOLLARS FOR PLAY

Klub Will Give Century Bill as Prize for Best Musical Comedy.

Must Be Submitted, in Part at Least, by Next Tuesday Evening.

A prize of \$100 is being offered by the Kosmet Klub for a musical comedy written within a week by any student or person connected with the university. The play, in part at least, must be submitted by Tuesday, March 11, at 6 o'clock at the student activities office.

The Klub is anxious to present a new and original play this year. To do this it is necessary to get started almost immediately. This is the reason for the stringent time limit in which the play must be submitted.

It is not necessary that the writer complete the play. A well started comedy which is acceptable to the Klub is all that is necessary. The music and lyrics will not be required. These will be supplied by the club.

If a suitable play is submitted and it is found inadvisable to use it this year, the prize will hold over for next year, when the play is presented. The Klub will allow the author to keep the copyright. All that is wanted is the right to use it when desired.

Revival of Kosmet Show

This will be the first show presented by the Klub since 1917. War conditions last year made it inadvisable to attempt a performance as in past years. It is in order to get back to a pre-war basis that this liberal offer is being made.

Students who have plots in mind for a good musical comedy should get in touch with members of the Kosmet Klub at once or get information at the student activities office.

WORK ON NEBRASKA HALL IS PROGRESSING RAPIDLY

The interior improvements which are being made in Nebraska Hall are now quite noticeable. All exterior work will be reserved for the summer months, when labor is more available, weather conditions more suitable, and the building is not in constant use for school purposes. During the summer the third floor will be torn off, and in many ways Nebraska Hall will correspond to the Law Building and newer buildings of the city campus.

The work on the second floor, which has not heretofore progressed so rapidly as that on the first, now appears to be further advanced than any other work on the building. Convention hall, which will occupy the entire east end of the second story when completed, cannot be commenced until the exterior work on the building is begun. The publicity department will be on the second floor, and will contain slides, plates, and films relating to the natural and improved resources of the State of Nebraska.

The departments of motography and photography will also contain material relating to the activities of the university and state at large. Adjoining motion picture hall, an oblong room adapted to the projection of the films which deal with geography and conservation, is the testing room, where films are developed, tested, filed and classified. A property room on the second floor will contain the articles necessary for the taking of still, as well as motion pictures. The work in the studio was delayed for a long period because of certain cables which had not arrived. This room can be used, however, if necessary demands. The retinting of the studio walls and the other inside work has been completed. The University of Nebraska can now boast of one of the most completely equipped and excellent motion picture and still photography departments in the middle west.

MISS ENGLAND WILL BE WAR SAVINGS DIRECTOR

Chancellor Avery received a communication from John T. Wayland, director of war savings work for the Kansas City Federal Reserve Bank, Monday, announcing the appointment of Prof. Minnie T. England as director of war savings section of Nebraska University. No definite plans have been made for a war savings campaign on the campus pending advices from Washington.

VARSITY LEAVES FOR INVASION OF KANSAS

Missouri Valley Title at Stake in Games with K. U. and Aggies.

Tonight the varsity launches forth the big drive into Kansas. Never did a basketball team tackle a more difficult task nor one fraught with greater consequences than that which lies before the fighting Cornhuskers. The Missouri Valley championship is at stake.

Jackson, Schellenberg, Newman, Gillan, Bailey, Reynolds, Patty, Pickett, Kacer and Spear will fight for the Scarlet and Cream on the hostile courts of the Jayhawks and Aggies. Tomorrow and Thursday evening our old friends in Lawrence will do the best they can to drown the Cornhusker pennant hopes. They've got some job on their hands, however, if the way the varsity feels today is any indication.

The real test of the old Cornhusker grit will take place in the Aggie games on Friday and Saturday. If old K. U. is successfully put through the Cornhusking machine, Nebraska's championship hopes will either rise or fall on the Manhattan floor. These two games cannot be split; both scalps must come home with the Cornhuskers. The whole conference has one eye squinted on the outcome of this series. The Missouri Tigers are expectantly licking their chops and waiting for the big Cornhusker tumble which will give them a free hand with the Aggies. The dopesters have almost given up their predictions, the chances are against the Nebraskans, but they are out for four victories and the championship.

The relative positions of the title contenders:

	W.	L.	Pct.
Kansas Aggies	7	0	1.000
Nebraska	8	2	.800
Grinnell	3	1	.750
Missouri	7	3	.700

GREEKS NOW READY FOR SEMI-FINALS

Alpha Tau Omega and Delta Taus Win from Sigma Nu and Phi Delta Theta.

Winners of Tonight's Match Will Play the Deltas for the Championship.

The first lap of the semi-finals in the Greek basketball tourney wound up in a furious finale when the A. T. O.'s trampled out the last flicker of Sigma Nu hopes 9 to 3, and the Delta Taus climbed into the finals over the struggling Phi Deltas by a 4 to 3 score. This left the D. U.'s, the Deltas, and the A. T. O.'s. The Deltas flipped with the A. T. O.'s to see who would play the D. U.'s tonight and fate decreed that Alpha Tau Omega shall meet Delta Upsilon tonight at six o'clock for the privilege of battling Delta Tau Delta tomorrow evening for the championship.

The Deltas put the Phi Deltas out of the running only after one of the closest battles of the series. The game started in a regular whirlwind. Hubka struck his old time form and plugged the net twice during the first half. "Ted" Smith located one and the half ended 4 to 2 for the Deltas. The second frame opened in a furious mixup. Lawlor was smashed into the wall and immediately after Ted Smith scored one on a foul by Stromer. This brought the score to 4 and 3. The bouncing sphere jumped all around the elusive ring, but refused to roll in. With but a minute to go a foul was called on Hubka. The Phi Deltas missed the throw, thereby giving the Deltas a clear field into the finals.

The Score

Delta Tau Delta (4)	Phi Delta Theta (3)
Hall.....f	Smith, Ted
Stromer.....f	Lance
Hubka.....c	Spain
Lawlor.....g	Keeler

Field goals: Hubka, 2; Smith, 1.	
Free throws: Smith, 1.	
Fouls: Stromer, 2; Hubka, 1.

The Running Summary

Delta Tau Delta	2	4	4	4
Phi Delta Theta	0	0	2	3
A. T. O.'s	9	Sigma Nu	3	

Without exception, the A. T. O.-Sigma Nu scrap was the fiercest basketball contest staged in the Greek tournament. The A. T. O.'s romped away with the first half on two field goals by

UNIVERSITY NIGHT SEATS WILL GO ON SALE TODAY

Temple Lobby Will Be the Scene of Mad Scramble for Tickets.

The seat sale for the University Night performance to be produced next Saturday will begin at 11 o'clock this morning when tickets will be sold to students. Members of the faculty may secure reservations at any time before 11 o'clock today. Two seats only will be allowed each person.

The University Night management will conduct the distribution of pasteboards in the Temple lobby. Ample provisions for the rush of students at the first opening of the ticket sale this morning have been made. Names will be checked off the list and in case a number of students desire seats together it will be necessary for them to be together in the line of purchasers.

Practically every desirable seat in the auditorium has been reserved and those who do not secure tickets today will not be sure of admittance to the big show. The price for the evening will be twenty-five cents.

Arrangements for the program are going forward smoothly. Ten representative stunts depicting different phases of university life comprise the bill and a free copy of the Evening Sun is issued to everyone present.

REED APPOINTED CIVIL SERVICE COMMISSIONER

Prof. A. A. Reed has been appointed representative for the United States civil service commission at Nebraska University and will attend to all applications for professional government positions. The government is making an effort to co-operate with the university employment service in order to secure competent help in the various offices at Washington.

CORNHUSKER LAUNCHES SALES CAMPAIGN TODAY

Thirty-Six Girls Will Take Students' Subscriptions for "Victory Annuals."

The big Cornhusker sales campaign begins today, and in the four days that it will be continued sixteen hundred volumes must be sold if the book is to be properly supported.

The thirty-six university girls who are to accomplish this big sale start early in the morning and expect to make a record sale the first day. Students are more anxious than usual to see the annual this year because of its historic value and other excellent features. Everyone who has the real Cornhusker spirit will join the "tag-wearers" and boost the year-book. The staff is proud of the book they are offering and Nebraska men and women will be proud to show it to their friends. With every student represented there should be a volume for everyone enrolled in the university.

Cover Design Attractive

A letter from the David J. Molly Company, which is making the covers for the book, highly compliments the cover design. The following is taken from this letter: "The design submitted to us for the Cornhusker is really the most attractive which has come in this year. We are glad to be able to work it up.—The design submitted is exceedingly complicated from the die sinker's point of view. It will undoubtedly cost between fifty and sixty dollars. You will therefore understand that the highest figure which we gave you will probably have to apply to the work."

Purchasers of the 1919 year-book will realize that the Cornhusker they are buying is well worth the money they are paying for it and will not fail to appreciate the unusual cover design and beautiful binding of the "Victory Annual."

COMMANDANT ANNOUNCES FURTHER APPOINTMENTS

Two special orders relating to appointments as officers in the R. O. T. C. have been issued from the commandant's office.

At the plan have not been fully arranged as yet and another meeting of the committee has been called for Wednesday, March 13, at 8 o'clock in the Woman's Hall. A list of names to be invited to the meeting will be sent to the girls by the Y. W. C. A. office.

1919 High School Meet Will Eclipse Them All in Attendance.

Stewart Announces "N" Club Committees Who Will Conduct the Annual Classic.

Arrangements for the largest state basketball tournament in Nebraska high school history are now in the final stage of completion. One hundred and twenty-one teams are entered and a few more may be added. The "N" Club under the supervision of A. R. Congdon of the N. H. S. A. A., chairman of the Committee of Adjustment, and Dr. E. J. Stewart, director of the tournament, will bear the responsibility for the safe navigation of the entire program.

The ninth annual basketball tournament of the Nebraska high schools, which opens Wednesday of next week and continues till Saturday, will be the largest ever. The banner list of entries will bring close to a thousand high school basketball tossers and at least five thousand students to Lincoln. The big annual event received its start in 1911 and has grown rapidly until at the present time it is the largest event of its kind in America. W. S. Whitten, secretary of the Lincoln Commercial Club, has made arrangements for the pictorial recording of the tournament with one of the national movie news services. This will prove a splendid advertisement for Nebraska and the University.

The following committees have been appointed for the conduct of the entire tournament:

Committee of Adjustment: A. R. Congdon, N. H. S. A. A., chairman. This committee has general control of the entire program.

Director of Tournament: Dr. E. J. Stewart.

UNI. VOLUNTEER BAND REORGANIZED SUNDAY

The Student Volunteer Band of the University was reorganized Sunday with an initial membership of twelve students. It is an old organization in the University, but so far this year has been prevented from doing its work. The officers elected were: President, Nelda Grove; vice-president, Walter Judd; and secretary, Harris Hillscher. Plans are being made to make the band an aggressive and wide-awake organization taking a vital part in all missionary activities among the students of the University.

Beginning next Sunday, March 9th, there will be an open meeting of the band every second Sunday at 4:30 p. m. in Faculty hall in the Temple. The aim of these meetings is to present the missionary field from all viewpoints, its hardships and its pleasures.

Membership in the band is open to all students who are planning to devote their lives to missionary work. The term "missionary" includes not only the minister, but the teacher, the doctor, the nurse, the agriculturalist, the engineer, the business man, the Y. M. C. A. and the Y. W. C. A. secretary. All university students who are considering such work may join the band

Dr. Elmore, pastor of the First Baptist Church, will speak on "India" at the meeting next Sunday afternoon.

Dr. Elmore was in India for many years and is a recognized authority on the work there. In his own words: "The success of any party depends upon the completeness of the details—Dance Programs, and Stationery, or Society work is our first name. We can find out your happiness now by supplying every need from a fountain of life—our new store, 212 N. St. George Bros. Printers and Office Supplies."
