

THE DAILY NEBRASKAN

VOL. XVIII. No. 151.

LINCOLN, NEBRASKA, FRIDAY, MAY 16, 1919.

PRICE FIVE CENTS

BIG ARMY MUSICIAN TO HEAD BAND HERE

Services of Chief Musician Frank X. Heric Finally Procured for Next Year.

Has Served Thirty Years in U. S. Army Bands.—Will Direct R. O. T. C. Music.

The university has been trying for some time to secure the services of Frank X. Heric, chief musician, U. S. A., retired, who reported to Colonel Morrison a few days ago, for duty with the R. O. T. C. here. Captain Samuel Parker, while commandant here first tried to have Mr. Heric detailed here and the university is fortunate to have at last secured his services.

Mr. Heric will take entire charge of the University R. O. T. C. band next year. It is necessary that students desiring work in the band have instruction under a man in the service, in order that they may receive credit in the department of military science and tactics, as required by the war department. Under this arrangement, students in the University Band will receive their uniforms each year and will be eligible for the \$12 per month commutation of rations during their junior and senior years in college. After completion of their course in the university such students would be eligible for a reserve commission in the U. S. army. Only the usual two years' work will be required during the freshman and sophomore years, the last two years being optional with the student.

Thirty Years in Army Bands.
Mr. Heric has had thirty years' experience with United States army bands. He is a representative of the highest type of non-commissioned officer of the army. He is an accomplished musician and plays several instruments. He was leader of the famous 13th Cavalry Band for a number of years and later directed the 29th Infantry's excellent band. He is equally familiar with high grade well as the strictly martial music. At the military band masters' school which was organized by the war department and the institute of musical art of New York City of which Dr. Frank Damrosch is director, Mr. Heric aided in the organization and was an instructor for some time. Dr. Damrosch gave Mr. Heric an excellent recommendation as regards his ability as a musician and as a teacher of music.

Mr. Heric will be on duty at practically all hours of the day, every day in the week and students desiring it, may obtain individual private tutoring in music without extra expense to them.

CONDRA ISSUES SEVENTH CONSERVATION BULLETIN

The Nebraska Conservation and Soil Survey through its director, Dr. G. E. Condra, of the department of geography and conservation at the University, has issued its seventh bulletin, "A Handbook of Nebraska Trees." This little booklet of 171 pages is a guide to the native and most important introduced species in this state. The pamphlet was written and compiled by Professor Raymond J. Pool. The book is replete with pen and ink drawings of typical parts of the trees described within its pages, and the subject matter is not only instructive, but exceedingly interesting.

AUTHORITIES COMMEND CADET OFFICERS' WORK

Military Department Expresses Thanks to Students Who Helped in Instruction.

The Military Department wishes to commend the work of several University students who deserve recognition of their efforts to aid that department at a critical time.

These men volunteered their services at the first of this semester when the instructional staff was small in number. Captain Frankforter and Lieutenant Murphy desire to express their appreciation of the most excellent work done by these students in assisting the reorganization of the R. O. T. C. at a time when affairs were in a rather complicated situation. With reserve commissions they could obtain neither University credit nor commutation for their services. Out of a high sense of loyalty to the government, to the University, and to the Department of Military Science and Tactics, these men offered their services. The work of these men has been invaluable. Their work has shown that they are capable, energetic young officers and the University has every reason to be proud of them.

These men were appointed as the field staff and line officers of the R. O. T. C. regiment, by Captain Frankforter when he was in charge of the Military Department awaiting the arrival of the permanent commandant, Colonel Morrison. Colonel Morrison and his present staff of officers and non-commissioned officers also greatly appreciate the work of these students, particularly that of Cadet Colonel Long. The names of these men and their rank in the regiment are as follows:

Cadet Colonel Long.
Cadet Lieutenant-Colonel Judd.
Cadet Major Junge.
Cadet Major Jensen.
Cadet Captain Harley.
Cadet Captain Seidell.
Cadet Captain Campbell.
Cadet Captain Godwin.
Cadet Captain Bushnell.
Cadet Lieutenant Lyle.

HUSKERS TO BATTLE GOPHERS SATURDAY

Eighteen Athletes Leave With Stewart This Afternoon for Minneapolis.

Husker Stock Goes Up With the Return of Ed Smith to the Track.

The eighteen athletes composing the varsity squad are leaving this afternoon to do battle with the Minnesota Gophers at Minneapolis Saturday. The greatest optimism is floating around the Cornhusker campus as to the outcome. The Gophers have a strong outfit but the Nebraskans have been rounding out in good shape and will have a formidable combination. The reappearance of Ed. Smith into the lists boosts stock a little.

The men who will represent Nebraska in the last dual meet of the year are: Capt. McMahon, "Rudy" Fuchs, John Gibbs, Ed. Smith, "Stan" Henry, Stromer, Newman, Jack Egan, George Maguire, Flood, Wright, Schellenberg, Reavis, Gerhart, Stephens, Troendly, Beckord, Flint.

Coach Stewart will distribute his men in the events as follows:

Two mile—Egan, Troendly, Maguire.
Mile—Egan, Troendly, Maguire.
880-yard dash—Newman, Stephens.
440-yard dash—McMahon, Stromer, Fuchs.
220-yard dash—McMahon, Gibbs, Smith.
100-yard dash—McMahon, Smith.
High and low hurdles—Beckord, Flood, Wright.
High jump—Flint.
Broad jump—Flint.
Pole vault—Gerhart.
Shot put—Schellenberg, Reavis.
Discus—Schellenberg, Reavis.

Varsity Letters

Owing to the fact that the varsity track team will have participated in but two dual meets this season it is probable that the Athletic Board will make some concessions in the granting of letters. At the meeting next Monday the "N" Club will request that it be more lenient than usual. Under the present rules a total of eight points must be won in dual meets or one point in the Missouri Valley Conference meet to win a letter. It has been suggested that this ruling be modified in the present condition to make it possible to win a letter by winning one first or two seconds in the two dual meets of the season.

NEW COLLEGE HAS FINE PROSPECTS NEXT YEAR

College of Business Administration Has New Location, New Organization.

The college of business administration with its new organization, new name, new place of residence, and again, will be ready to start out the almost all of its old professors back school year next September with flying colors.

All the former professors in all departments of this college are expected back in the fall, and there will be several new additions and promotions made in the college. Professors Virtue and Stephens will be on hand for the opening of school next September, while Professor Cole returned some time ago from France and has been assisting in the accounting work. He has now been made an assistant professor of accounting. A new professor will be in charge of the instruction in marketing, salesmanship and advertising next year.

A new bureau or committee of employment has been added to the college curriculum, and Professor T. T. Bullock has been placed in charge of this work.

The college of business administration will occupy most of the third floor of the new social science building.

(Continued on Page Two)

CHEMISTRY EXAMINATION FOR SCHOLARSHIP MEDAL

Alpha Chi Sigma, honorary chemistry fraternity, presents each year a scholarship medal on the basis of a written examination conducted by the chemistry department of all schools wherein chapters of the fraternity exist. The examination is open only to students, men and women of official junior standing.

The above named examination will be held in room 209, Chemistry building on May 22 at 9 a. m. Applications should be made to the head of the chemistry department. Students interested should see Professor Upson.

PASS FIVE HUNDRED MARK IN CAMPAIGN YESTERDAY

Large Sum Collected on Athletic Tag Day—Goal Only Half Raised Thursday.

The campaign to raise funds to send the relay team to the National Intercollegiate Track Meet at Harvard, May 31, and to purchase sweaters for the letter men is only half over, as returns up to six o'clock last evening showed that above \$500 had been subscribed. This amount was raised almost wholly on the campus. The only subscriptions reported from the business section were from E. H. Long of the College Book Store for \$50 dollars and a donation from the Graves Printing Company.

Today the seniors are back on the campus and their presence will make a great difference in the surge toward the \$1,100 mark. The State Farm which was not canvassed yesterday will get its chance today and the campaign in the business section will be pushed with great vigor.

This is your last chance to give. The track team will leave for Minneapolis this afternoon. Will they go with the knowledge that their efforts for Nebraska are appreciated or with the feeling that what they may do doesn't make much difference to the student body? Everybody shove and put it over today!

LINCOLN GRADE SCHOOL MEET ON FIELD TODAY

The ground is all cleared for the Lincoln Grade School Track Meet on the Athletic field this afternoon and the State High School Track Tourney tomorrow. Both events will be record breakers from the standpoint of school entered and the number of athletes competing. The "N" Club will be in charge both days.

The annual grade school meet will start at 2 o'clock this afternoon. There will be four classes open for entries and each class will compete in three events.

NEBRASKA WELCOMES HIGH SCHOOL GUESTS

Finishing Touches Are Put on Extensive Plans for Fete Day Tomorrow.

State Teams Will Contend for Premier Honors in Debating and Track.

The finishing touches have been put on the plans for the high school fete day, which will be held at the University of Nebraska Saturday, May 17, 1919. Committees of the "N" Club and of the Y. M. C. A. and Y. W. C. A. will meet all trains, bringing high school students from all over the state to visit the capital city on that day. Auto trips to the university campus and to the university farm headquarters in the Temple will be provided for the students.

Informal inspection of buildings and department exhibits will be held from 9 to 12 a. m. and from 4 to 6 p. m. on the city campus. Groups will leave the Temple in charge of guides at 10:00, 10:30, 11:00 a. m. and 4:15 p. m., announcements to all contestants will be made in the gymnasium. From 2 until 4 o'clock the state high school track and field meet will progress on Nebraska field. At 4:30 in the afternoon Mr. Kostlan will have his class in boxing present an exhibition of class boxing, followed by a number of small individual bouts. These will be held in the armory.

Suit cases and grips checked by Y. W. C. A. at depot may be checked out at Y. M. C. A. rooms, Temple. Meals may be obtained near campus at: Uni. Y. M. C. A. cafeteria, Temple building; City Y. M. C. A., 2 blocks south, 1 block east of Temple. Train schedule of outgoing trains:

| 1. Burlington | |
|--|---------|
| No. 3 Denver and some local points | 6:10pm |
| Hastings and local points | 6:15pm |
| Columbus and local points | 6:10pm |
| 2. Northwestern | |
| Billings (Grand Island, York and other local points) | 6:30pm |
| Omaha and local points | 6:00pm |
| Omaha and local points | 4:30pm |
| Beatrice and Wymore local | 5:55pm |
| 3. Missouri Pacific | |
| Fremont and other points | 4:00pm |
| Fremont and other points | 7:00am |
| 4. Union Pacific | |
| Union and local points | 10:35pm |
| Beatrice and local points | 4:30pm |
| 5. Rock Island | |
| DeWitt, Fairbury and local points | 6:00pm |
| The City Young Men's Christian | |

Nebraskan Completed Eighteenth Year of Publication Yesterday

With the Ivy Day edition, one week from today, the Daily Nebraskan will end its eighteenth year as the official publication of the University of Nebraska.

Today's issue will mark the close of the regular school year since the publication of the paper will be suspended throughout examination week.

Members of the staff will conclude their service for this year in the special edition for Ivy Day. This number will be distributed at Capital Beach next Friday after the ceremony of tapping the Black Masques and Innocents is over. It will contain a full account of the Ivy Day program, a complete text of the Ivy Day oration, the senior class poem, the names of the new members of the Black Masque and Innocent societies and announcement of next year's staff members of the Daily Nebraskan.

A Memorable Year

The present volume of the Daily Nebraskan has been accorded the privilege of recording the events of one of the greatest and most significant years in the history of the University. It has chronicled the establishment and dismemberment of the S. A. T. C., the coming of peace and the beginning of a reconstruction period; it has seen, in the first semester, a school torn by the upheavals of war, and in the second, the return of the University to a normal basis; it has noted a successful athletic season, the development of a winning track team participating in national meets, an increased appropriation budget, the action of the regents in favor of a new gymnasium and, for the first time in its history, the election of a student council at the University of Nebraska.

The Reportorial Staff

The bulk of the work of writing up (Continued from page 2)

Band Will Play Famous "Carillon" To Words of Belgian Poet in Pageant

The distinction of being the first band to give Elgar's musical setting "Carillon," to the Belgian poet's "Chantons, Belges" belongs to the University band. This production will be one of the biggest and best features of the pageant.

This poem consecrated to Belgium is one of the great things that came out of the war. The spirit of the poem is rejoicing that although Belgium suffered mutilation and defeat at the arms of the Germans, her spirit remains unbroken.

The first stanza contains an exhortation to the Belgians to rejoice over their wounds, to be proud of their defeat, which is the badge of their honor. This is recited without music. Then comes a stirring chorus, a dance of triumph on the ruins of shell-torn cities, in celebration of the final triumph at Berlin. The poem

ends with a plea for mercy after vengeance shall have been accomplished, a revelation of the charitable heart of Belgium.

The music joining in with the reading at times, the interpretative pantomime accompanying the whole, makes a beautiful and wonderfully effective spectacle. The music has been received from Kansas City.

Ivy Day

The pageant will be the crowning event of an Ivy Day unusually replete with impressive ceremonies. Extensive preparations are already being made for the morning program at the city campus and the picnic in the afternoon at Capital Beach. For those who do not wish to return from the Beach for the pageant in the evening, a good program of entertainment will be provided.
