**HERE'S WHY:** Its collar is a Van Heusen. That means that in addition to the comfort of a collar-attached shirt one may have the trimness of the World's Smartest Collar—Van Heusen—more comfortable than a soft collar, better-looking than a stiff collar.

Men out-of-doors, apostles of freedom and light and air, will find Van Craft to their taste. Its fabric is superb, its tailoring perfect. It is the ideal collar-attached shirt—an ideal that was impossible before the introduction of the unwilting Van Heusen collar.

Better make a visit to your haberdasher today and ask for one.
