

TRACK MATINEE IS SUCCESSFUL

First Indoor Meet Shows That Nebraska's Chances For Title Are Bright.

CRITES AND LOCKE HANG UP RECORDS

Records furnishing encouragement for the track outlook at Nebraska were set up at the first indoor track matinee held yesterday on the Stadium cinders.

Many of the events were run off in time equalling and even excelling Missouri Valley standards, and all of them were done in time enough to make the prospects for another winning track team exceedingly shiny. As a second matinee, Coach Henry F. Schulte presents today a relay carnival. The public is invited.

The speedy Locke and Captain Everett Crites hung up new records in the 50-yard dash and 440-yard dash. Locke stepped the short distance in 5 5-10 seconds which is within one-tenth of a second of the world's record. His feat is the more remarkable because of the new track and early season.

Crites negotiated the 440-yard sprint in 52 3-10 seconds, also a new Nebraska record. He should stand a good chance at the Missouri Valley meet which is almost two months away.

Among other fast times in yesterday's show were those credited to Lewis, Zimmerman, McCartney, and Weir. In the 880-yard run Lewis led the field in a time of 2 minutes, 4 3-10 seconds which is believed will beat anything in the Valley allowing consideration for training time left.

Zimmerman, cross-country captain, and McCartney, ran a neat race for the mile and finished in a tie. The time was 4 minutes, 47 4-10 seconds. Zimmerman took the lead in the first lap but McCartney clung to him like bark on a tree. McCartney passed "Zimmy" about half mark and held the lead until the last hundred yards. Zimmerman opened up on the sprint and passed his opponent for just a moment; McCartney held to him and they came in together.

Weir made the 60-yard high hurdles in seven seconds flat. His form should develop so as to make him a Valley winner. He and Keeble of Missouri fought it out at the Missouri Valley indoor meet last spring and Keeble was declared the winner. The two were so close together that the judges disagreed as to who finished first, but the decision finally went to the Tiger. Their time was a little less than seven seconds.

"Duke" Gleason pole vaulted eleven feet, nine inches yesterday. That mark would have won out in the Valley meet last year.

Beckord, a letter-man three years ago, is back in suit again and ran in a special 440-yard dash. His time was fifty-five and 1-10 seconds, which ought to be improved after he gets more training.

Another matinee will be held next Thursday at the same time. Coach Schulte says he is satisfied with the time made yesterday. The summaries:

50-yard dash—First heat: Locke, first; Weir, second; Hein, third. Time, 5 6-10 sec. Second heat: Locke, first; Weir, second; Mandery, third. Time, 5 5-10 sec. Third heat: Weir, first; Hein, second; Aiken, third. Time, 5 6-10 sec.

440-yard dash—Milne, first; Fewster, second; Taylor, third. Time, 57 6-10.

Special 440-yard dash—Crites, first; Mandery, second; Reese, third. Time, 52 6-10 sec.

880-yard run—Lewis, first; Bushnell, second; Schaeffer, third. Time, 2 minutes, 4 3-10 sec.

Half-mile run—Cohen, first; Lawson, second. Time, 2 minutes, 9 2-5 sec.

Mile run—Zimmerman and McCartney, tied for first; Johnson, third. Time, 4 minutes, 47 4-10 sec.

60-yard low hurdles—Crites, first; Weir, second; Reese, third. Time, 6 2-5 sec.

Special 60-yard low hurdles—Weir, first; Mandery, second. Time, 6 4-10 sec.

60-yard high hurdles—Weir, first;

Matthias Volz Who Is Starring as Guard

This is Matthias "Mutt" Volz, captain and guard of the Varsity cagers. "Mutt" played regular most

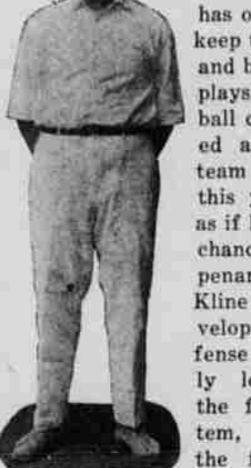

of the time last year and is holding down the position in a stellar fashion this season. He has the size and skill to make up a formidable opposition for any forward in the conference and he handles himself with remarkable ease on the court. Volz gets into the offense just

about as often as the defense, and is able to drop a pretty basket from anywhere on the court.

Coach Kline, Whose Team Leads Valley

Coach "Bill" Kline will match his men against Drake Saturday night in the first home game of the season.

Coach Kline has been giving his men light practices this week and has only sought to keep them in shape and brushed up on plays. The basketball coach produced a third place team last year and this year it looks as if he has a good chance to cop the pennant. Coach Kline is a great developer of the defense and especially leans toward the five-man system, being one of the first coaches to use this style.

He was also appointed baseball coach for last year and helps out on football in the fall.

Reese, second; Wyatt, third. Time, 7 sec.
Special 60-yard high hurdles—Weir, first; Reese, second. Time, 7 sec.
Pole vault—Gleason, first; Rhodes and Wirsig, tie for second. Height, 11 feet, 9 in.
Broad jump—Rhodes, first; Stevens, second; Wirsig, third. Distance, 21 feet, 7 in.
High jump—Joe Weir, first; Rhodes and Stevens, tie for second. Height, 5 feet, 5 in.
Shot put—Kriemelmeyer, first; Locke, second; Durisch, third. Distance, 39 feet.

GIVE CAGESTERS LIGHT WORKOUT

Regulars Make Good Showing in Scrimmage With Second String Quintet.

GAME WITH DRAKE TO BE HELD IN ARMORY

Light scrimmage was the keynote of the Varsity basketball practice yesterday afternoon in the Armory. Coach Bill Kline is keeping his men polished up on plays but is not requiring any strenuous work.

A small crowd watched the workout and saw a team working like clockwork. The regulars lost time in the first few minutes of scrimmage but were hitting a good pace after they got warmed up.

The scrubs scored some pretty plays and gave the Varsity plenty of trouble. Smaha was shifted to guard and Beerle and Walker were playing the forward positions. Beerle showed himself adept at fast play in the goal zone and pulled some neat shots.

The regulars were using their regular line-up which will probably be the starting arrangement Saturday night against Drake. Usher and Black, forwards, Goodson, center, Volz and Tipton, guards, made up the team. Every member of the Varsity was working good.

Black was playing unusually well. He made a good part of the baskets and was doing excellent floor work. He and Usher were holding down the front with little effort. Volz and Tipton were guarding brilliantly. Tipton was going especially good.

The game will start at 7:30 p. m. Saturday in the Armory. The probable starting Cornhuskers will be:

- Usher, f
- Black, f
- Goodson, c
- Volz, g (C)
- Tipton, g

UNIVERSITY OF CALIFORNIA—Walter Camp was one of the 90,000 spectators who saw California and Stanford fight to a 20 to 20 tie. Camp coached the Stanford team in 1892, when the score with California was also a tie—10 to 10.

RELATE STORY OF FAMOUS ALUMNUS

(Continued from Page One.)

cal adviser, laying down the construction program for five large dams and reservoirs in northeast Brazil. One of these dams will relieve an arid and semi-arid zone where upwards of 500,000 people and over 1,500,000 domestic animals have perished, due to drouth, famine and pestilence. In less than three years, alternately as superintendent, chief engineer and general superintendent, with from 12,000 to 15,000 men employed in 5 camps, he finished for Dwight P. Robinson & Company five modern villages and completed the major part of unwatering dam foundations. These dams and reservoirs, for irrigation purposes, compare in magnitude with the larger structures of the U. S. Reclamation Service.

"The entire program will eventually cost the Republic of Brazil nearly \$80,000,000. Due to the world wide financial and economic upheaval following the war, and to other local causes, Brazilian money compared to the American dollar has dropped to about one-third of its normal rate of exchange and all heavy construction in Brazil is at a standstill, pending \$8,000,000 of preliminary construction. About \$8,000,000 of prelimi-

nary construction has been finished on this irrigation work.
"Mr. Sargent says, concerning the future: I hold the deep conviction that we are facing the dawn of the most stupendous constructive epoch since the Napoleonic wars, possibly since Rome fell. He who can swim with the current of affairs in 1924 A. D., keep abreast of the time and be guided intelligently by the demands of events, will have scant time to worry over idle prophecies of social disasters. His job is to keep on swimming."

Fashionably smooth hair

This has caused the great change in the appearance of men's hair

YOU cannot go into a classroom, or a club, or a fraternity house, without noticing it—
Somehow, college men have found a way to make the hair, the most conspicuous part of the appearance, look just as they want it to look at all times.
It was not always so. Before Stacomb was introduced, they tried countless methods to make their hair lie smoothly and stay that way—from old-fashioned pomades, which only matted the hair and made it greasy, to plain water, which kept it in place an hour at the most and then left it drier and more brittle than ever. Small wonder that they greeted Stacomb with such instant enthusiasm! Here at last was something that would make the hair stay in place without harming it or making it sticky and unnatural-looking.
Today the great change which Stacomb has brought about is noticed everywhere. Men whose hair used to be out of place an hour after being brushed, men whose otherwise correct appearance used to be spoiled by hair that was hopelessly unkempt—today they keep their hair constantly in perfect order.
Use Stacomb tomorrow morning—and look your best all day. A delicate, invisible cream. Non-staining and non-greasy. In jars and tubes, at all drug and department stores.
