

CORNHUSKERS MEET KANSAS

Varsity Basketball Team Leaves for Lawrence Where They Play Tonight.

NEBRASKA WILL BE IN LEAD IF VICTORIOUS

Ten basketballers left last night at 10:30 for Lawrence, Kansas, where they will meet the leading University of Kansas basketball team tonight in the contest which will decide Nebraska's status in relation to the leaders of the Missouri Valley.

The engagement will return to Lincoln Wednesday morning in time to attend classes and will leave again in the evening for St. Louis, to play Washington University Friday.

The following men made the trip: Klepser, Smaha, Usher, Volz, Goodson, Andreson, Black, Beerle, Eckstrom, Smaha.

Nebraska has a job to perform this week. By defeating Kansas and Washington, the two ranking teams of the Valley, victory in the pennant race is almost assured.

Valley Sports

Coach Rockne has picked Ed Weir as a member of his All-Time-American football team. Following the pick of such teams by Yost, Zuppke, and others, Rockne comes out with a choice of two teams. Because the players before and after 1906 cannot be well compared, Rockne places his All-Time teams in these two classes. In placing Ed Weir at tackle he says, "Weir of Nebraska, and Henry of Washington and Jefferson are the greatest pair of tackles I have ever seen."

Lloyd Hahn, holder of the Nebraska high school record in the 440-yard dash, is the first American to break a world record set by Nurmi, the great distance runner. Hahn stepped the mile in 4 minutes 13.4 seconds Saturday night, beating the Finn's record by 1-5 of a second.

Raymond Conger, a sophomore at Ames this year, has promises of being one of the best middle distance runners in the middle west if not in America. Ames has always been noted for middle distance runners, but Conger has exceptionally bright prospects. In his first appearance in the intercollegiate sport at the K.

RELAYS ARE POSTPONED

First Annual Interfraternity Relay Contests to Be Held Next Week.

WILL GIVE MEN TIME TO REST FROM MEET

The first annual interfraternity relays scheduled to start yesterday have been postponed one week by Coach Schulte in order to give some needed rest to the men who participated in the interfraternity track meet last week.

The delay will also give fraternities additional time to make entries

in case they neglected to do so yesterday.

The schedule next week will be the same as announced Sunday for this week: the 8-lap relay on Monday, 2-lap relay Tuesday, 12-lap relay Wednesday, 4-lap relay Thursday, and the medley relay Friday. If enough fraternities enter the relays two skins will be awarded, Coach Schulte said yesterday.

Eight fraternities ran yesterday afternoon in practice 8-lap and 4-lap relays. Delta Tau Delta made the fastest time in the 8-lap relay. Their team composed of Ballah, Johnson, Shafer, and Davenport ran the eight laps in 4:32.4. Davenport was record-holder of the afternoon, making the fastest time for the two laps. Phi Gamma Delta ran a team in the 8-lap practice relay, consisting of Tappan Glasgow, O'Brien, and Hinman. Their time was 4:45.6. The Delta

Sigma Lambda team of Dickey, Standard, Stagel, and Heacock ran the eight laps in 4:59.9. The Farm House quartette, Oehlerking, Davis, Coats, and White ran the distance in 4:46.1.

A team composed of Dalton, Rhodes, Lee and Crites made the best time in the 4-lap relay. They were clocked in 1:57.4. Alpha Tau Omega represented by Stephens, Triba, Conklin and Hulsker was second with a time of 1:59.1. Sigma Nu—Steiner, Warren, Wilson and Mousel running, made the distance in 2:03.9. The Alpha Sigma Phi team composed of Dover, Forsythe, Hunter, and Fetterman ran the four laps in 2:04.9.

The cross-country system of grading will be used. Winners will be numbered 1, 2, 3, in order of their time, and the team having the lowest total at the end will be victors in the meet.

TO HOLD VARSITY TRACK TRYOUTS

Coach Schulte's Athletes to Display Wares Before Sent to Illinois Relays.

Varsity track tryouts will be held this week on the regular matinee days, Tuesday and Thursday. Trials in the mile run are to be run off today and general tryouts Thursday.

The races will start at 4:15 today and will be worked off on the regular schedule Thursday, according to Coach Henry F. Schulte.

The tryouts will give Coach Schulte an idea of the strength of his team for the next indoor meet on the schedule, the Illinois Relays, February 26.

PLAY IMPORTANT GAMES IN VALLEY

Expect This Week's Contests to Be More Quiet Than Frays of Last Week.

Games This Week.

Tuesday—Ames at Grinnell, Nebraska at Kansas.
Thursday—Drake at Kansas.
Friday—Nebraska at Washington, Grinnell at Washington.
Saturday—Nebraska at Missouri, Grinnell at Washington.

A hectic week in Missouri Valley basketball circles will be followed the next few days by one somewhat more quiet. Last week saw many fast and close games and was also attended by the shifting of several teams in the percentage columns.

Kansas continued its drive toward the championship with the Nebraska Cornhuskers close behind. The Jayhawks have played more games than Nebraska and their standing is only a few points above the second-placers. If Nebraska wins from Kansas tonight at Lawrence it will mean that the Jayhawks are tumbled from their lofty position for the first time in the season.

That Kansas is weaker than when they met Nebraska is indicated by the smaller scores and the drop in the offensive column averages. Kansas had a job on their hands Saturday to defeat Missouri by one point. A free throw in the last minute of play did it. Grinnell also gave Kansas a close call.

Washington practically dropped out of the race when it was defeated by Kansas. The Pikers are now hoping that Nebraska will win from Kansas and lose to Washington. In that case they could win the championship by a victory over Kansas and another over Nebraska. This, of course, is providing that they can keep their pace in competition with other teams.

Oklahoma featured with a remarkable scoring streak in the first games of the week, only to be defeated Saturday by the cellar-inhabitant, Ames, whose team had lost ten games out of ten starts previous to meeting Oklahoma. The Sooners scored eighty-eight points in their two games, Thursday and Friday, but broke under the strain Saturday and lost to Ames.

Oklahoma, however, now leads the conference in offensive play. The Kansas scoring fell off a bit while Nebraska's jumped, now occupying a third place. The Cornhuskers are still in front in defense.

This week's games will match Nebraska against Kansas and Washington in two most interesting games. Grinnell will also meet the Pikers at St. Louis Saturday evening.

COLUMBIA UNIVERSITY — A student hall will be built immediately as a result of a vote of the trustees of the university. It will cost \$1,800,000.

C. A. C. one week ago he ran the half-mile in the fast time of 1 minute 57.4 seconds. He came to Ames with no previous athletic training in high school, but he won both the half-mile and the mile easily from a picked field in the triangular indoor meet with Drake and Grinnell. Ames won the meet.

While Mr. Hahn was setting a new record for the mile, Nurmi stepped the two mile for a new record of 8 minutes 58.2 seconds. He completed his first mile in 4 minutes 25 seconds, which would run to death the average mile runner in the game today.

Kansas had a series of close calls in her basketball games last week. Grinnell, Washington, and Missouri lost to the Jayhawkers by only a three, two, and one point margin. Nebraska, stronger than any of these teams, is apt to stop the Kansas run of victories.

DISCONTINUE NOON BASKETBALL WORK

Women Give Over Armory to Faculty Men Three Days a Week.

The noon basketball practices for women will not be held on Tuesday, Wednesday, or Thursday of this week. A class in gymnasium work for faculty men will be using the Armory at the noon hour on those days. Practices for women will be held on Tuesday and Thursday afternoons from 4:00 to 5:30 o'clock.

Those women who practice on Tuesday and Wednesday noons are asked to come at 4:00 on Tuesday and those who practice on Thursday noon are asked to come at 4:00 on Thursday. The Friday noon players will come at their regular time.

Ten practices, the number required for class team eligibility in any major sport of the Women's Athletic Association, must be in at one o'clock Friday, February 20. At 4 o'clock on that day the tentative first and second class teams will be announced as will the color teams. A schedule of the tournament games will be posted Monday morning. The color tournament will be played the latter part of the week.

Next week will be given over to practice games. The team members will be carefully watched and coached during this week. The teams chosen on Friday of this week are only tentative and in case some changes are necessary, they will be made after the practice week. Final selection of the first and second class teams will be posted February 27, Friday. Interclass games start March 2.

PURDUE UNIVERSITY—Famous cartoonists will draw the comic sections of the yearbook. Andy Smith, of Andy Gump fame, will be one of the contributors.

A DEMONSTRATION!

We want every man in town to know about this remarkable value-giving treat

Men's Spring Suits of Virgin Wool Fabrics

\$38

Designed and tailored by the Kirschbaum craftsmen

If there ever was an occasion when a clothing store had something extraordinary to offer its customers *this is the occasion!* Not in ten years have we been in a position to offer so much all-around clothing quality at a price so decidedly moderate

These are the prominent facts: New, stylish spring suits, tailored of *pure virgin wool fabrics.* (Note that we don't merely say *all wool.*) These fabrics are made from the pure original wool—not reworked wools nor shoddies—not wools that have been "doctored" nor remade from old cloth. You can tell the difference the moment you see the garments—the rich fabrics have life.....lustre.....class! And the difference will be observed in wear. These fabrics are wear-resisting—they'll give long, satisfying service.

Virgin wool fabrics combined with the season's favored styles and the superb tailoring of the Kirschbaum experts, present suits that look the part of suits that ordinarily sell for twice the price.

It is a distinguished achievement to be able to offer men and young men so much quality at \$38
