PROM COMMITTEE WORKS ON PLANS

Presentation of Prom Girl Will Be Feature of Evening; Good Music Is Promised

Announcement was made yesterday by Fritz Daly, general chairman for the Junior-Senior Prom, that attendants of the ball will dance to one of the leading orchestras in the state. Negotiations are under way with the leading Omaha and Lincoln bands to play for the prom and definite announcement will be made in another day or so.

Plans for the dance are fast rounding into shape and all who are present can be assured of a very delightful party. The prom is the closing party of the Nebraska formal season and it is the plan of the committee, in charge to make it the biggest and best party of the year.

The presentation of the Prom Girl, makes it the highlight of social activities.

A local, professional decorator will have charge of the decorations. A spring setting will be carried throughout in the form of a garden.

Juniors and Seniors Will Vote at Polls Today to Nominate Prom Girl

All members of the junior and senior classes will have a voice in the selection of this year's Prom Girl, when they go to the polls today to vote for their four selections of the most prominent senior girl. The six receiving the highest number of votes will be chosen for final balloting by attendants of the ball, March 2.

Several sororities have signified their intentions of nominating one of their members as a candidate. All senior girls are eligible. Sororities that have entered the field and their candidates are as follows:
Kappa Alpha Theta, Ihab May Cottrell; Chi Omega, Burrice Waich; Kappa Delta, Albee Leslie; Delta Delta Delta, Maxine Smith; Alpha Chi Omega, Geraldine Fleming; Alpha Omicron Pi, Ruth Palmer; Pi Beta Phi, Edith Mae Johnson; Alpha Xi Delta, Ernestine McNeil.

Last year those attending the dance were the only ones permitted to vote, causing the vote to be well scattered. Although last year's Prom Girl received a decided majority, the plan of elimination chosen by the present committee will enable all juniors and seniors to take part in her selection and will eliminate a too overly crowded field.

The selection of the Prom Girl, as the most representative graduating senior, both socially and in activity circles, first made its appearance last year when the Junior-Senior Prom was reinstated. It is one of the highest honors that is awarded to a Nebraska girl and carries with it a great distinction. Miss Elise Holm-vitchner was chosen at last year's prom.

KOSMET KLUB WILL PRESENT MUSICAL SHOW

'The Love Hater' by Herbert Yenne Wins Prize for Best Manuscript

THIRTY-FIVE ARE IN CAST

Tryouts Are to Be Held in Temple Saturday; Tour Will Be in April

Kosmet Klub has selected "The Love Hater", a two-act musical comedy by Herbert Yenne, as the prize manuscript to be presented this spring as the Klub's annual original musical show. Mr. Yenne, who is a member of the dramatic department, will receive \$100 for writing the manuscript, and will also direct the show.

Of the original manuscripts presented to the Klub last Sunday for final decision, Mr. Yenne's was considered the most appropriate for an all-male cast, and containing the best situations for a college show to tour the state.

Ten main characters will be needed for the show, as well as a pony chorus of ten small men, and a society chorus of twenty more. These choruses may be changed according to the ability of those who try out, but Mr. Yenne estimates that approximately thirty-five men will be needed for the show, as well as stage hands and orchestra.

Tryouts for both the leads and choruses will be held Saturday. The leads will try out Saturday morning in the Temple theater and the choruses will try out in the afternoon. Definite times will be announced in the Daily Nebraskan tomorrow, as well as a description of the characters, so that students may be considering for what parts they wish to try.

Herbert Yenne and the members of the Kosmet Klub will then pick the cast so that rehearsals can start immediately. The show will be presented out in the state during spring vacation and will probably run two days in Lincoln the following week-end, April 13 and 14.

Orchestra tryouts will be held later, according to Harold Turner, who is in charge.
