GREEK DIAMOND
TOURNEY OPENS

Teams Will Play Two Games
This Week Because of
Late Start

LEWIS FORMS 7 LEAGUES

Thirty-five fraternities will swing into action in the inter-fraternity baseball tourney, scheduled to begin this week, according to the league pairings compiled by director James C. Lewis. Each team will play four games in its respective league, with winners being determined on a percentage basis.

Because of the late start, teams will be requested to play two games this week, at times mutually arranged between the competing nines. No definite game pairings will be made, as Lewis has adopted the plan of allowing the fraternities in the various leagues to schedule their contests at times convenient for both.

Seven Leagues Are Formed
Seven leagues were formed in the classifying of the teams, each league containing five teams. The round robin form of play will be pursued, whereby each team must meet every other aggregation in its group.

Contests will be played on the municipal diamonds leased to the athletic department for the tournament. All equipment necessary has been purchased by Lewis and may be checked out for games by fraternity athletic managers.

Will File Results
Results of each game played should be filed in the athletic office before 6 o'clock on the day it is played, according to Lewis. Obedience to this rule, he declared, will enable better publicity and smoother operation of the tournament.

An absence of favorites will characterize this year's diamond classic.

Tennis Tryouts Are Being
Held for Southern Trip

Tryouts for the varsity tennis team are being held this week for the trip to Missouri and Oklahoma this week end. Coach Bearg stated last evening that the probable lineup for the team will include Heacock, Elliot, Dubry and Davis. The squad will leave Lincoln Thursday evening, playing at Missouri and Oklahoma on Friday and Saturday, respectively.

according to the consensus of campus opinion. Practice games have uncovered excellent material in several fraternities.

The leagues and the teams contained therein follow:

League 1: Delta Chi, Alpha Sigma Phi, Phi Tau Theta, Sigma Phi Sigma, Phi Kappa. League 2: Omega Beta Pi, Delta Tau Delta, Theta Chi, Phi Delta Theta, Tau Kappa Epsilon. League 3: Beta Theta Pi, Farm House, Kappa Sigma, Lambda Chi Alpha, Sigma Chi. League 4: Sigma Phi Epsilon, Xi Psi Phi, Delta Sigma Lambda, Phi Gamma Delta, Delta Theta Pi.

League 5: Alpha Gamma Rho, Theta Xi, Pi Kappa Alpha, Alpha Tau Omega, Phi Sigma Kappa. League 6: Pi Kappa Phi, Sigma Alpha Epsilon, Acacia, Sigma Nu, Delta Sigma Phi. League 7: Kappa Psi, Delta Upsilon, Alpha Theta Chi, Kappa Psi, Delta Sigma Delta.

Varsity Track Men
GET LIGHT WORKOUT

Schulte Prepares Men for Drake
Relays; Big Ten Teams Will
Be Represented

While the inter-fraternity track meet was being run off Tuesday afternoon, Nebraska varsity track men took a rather light workout. Some of the varsity tracksters served as officials for the meet. Coach Schulte promises a rigid practice session for this afternoon in preparation for the Drake Relays which will be held at Des Moines Saturday, April 28.

Coach Schulte announced Tuesday that a few tryouts for the distance runs in the Drake games would be held this afternoon. The Husker mentor will probably take a smaller squad to Des Moines than the one which competed in the Kansas Relays last Saturday at Lawrence. Competition is somewhat stronger at the Drake Relays than at Kansas since more Big Ten as well as other teams which did not compete at Kansas are on the Drake entry list.

Runners Go Through Practice
E. Wyatt, Chadderton, and Janulowicz ran a 220-yard dash as a conditioner, while the rest of the runners merely went through warming up exercises and ran several short sprints. The weight men did little work Tuesday but are in for a hard practice period this afternoon since Coach Schulte is bent on developing this department of his squad which did not show up so well at the Kansas Relays. A lot depends on this man if the Cornhuskers are to win the Missouri Valley track and field championship meet which will be held in Lincoln, May 20 and 21.

Kappa Sigs Take
Honors in Meet

(Continued from Page 1)

Farm House scoring 15 points for his aggregation while Ragains of Kappa Sigma and Tomson of Phi Kappa Psi were close on his heels with 13 and 12 points respectively. Batic earned the distinction by virtue of three wins in the half mile, mile and 2-mile events.

Ragains, former Kearney high school flash, displayed top form in the hurdles, taking both the high and low barrier races. He also took third in the century dash and was a member of the Kappa Sigma mile relay team that romped off with first place, in spite of a classy field of contestants.

Cobe Is Phi Psi Star

Cobe Tomson, Phi Kappa Psi star, scored all but seven of his team's total. He competed in both the dash and broad jump events, taking first place in the latter.

Kappa Sigma, last year's intramural champion, boosted its point total considerably in the 220 low hurdles, winning the first three places. Othmer of the winning team sprang a surprise in the high jump when he beat out Cook of Delta Tau Delta in a spirited contest.

Trophy Goes to Winner

A handsome bronze trophy goes to the winner of the meet, together with seventy-five points towards the inter-fraternity cup. The victory places the Kappa Sigma athletic delegation in first place in the intramural race. Farm House formerly was leading.

In capturing second place in yesterday's meet, Sigma Phi Epsilon displayed strength in the field events particularly, with Oehrich, Husker football star showing the best performance. He placed first in the 35 lb. weight and shot put and third in the discus.

Fraternity Standings

The fraternities in order of their finish, and individual event winners follow:

Kappa Sigma	48	1-2
Sigma Phi Epsilon	27	1-6
Farm House	25	1-2
Phi Kappa Psi	19	
Delta Upsilon	18	
Delta Tau Delta	15	1-2

Meredith Says Locke Is
Good Olympic Prospect

In a syndicated article appearing in yesterday's papers Ted Meredith, famous Olympic champion, stated that Roland Locke must be considered in the discussion as to the selection of American sprinters for the coming Olympics. He based this contention on Locke's extraordinary career at Nebraska.

Locke, he declared, finds the going a bit tough in the 100 meter race with the competition he has to face, but in the furlong he is much better.

Hot trumpet—
Sock it!

The saxophones moan. The trumpets trump. The cornets corn. And the fellow who plays the piano should have been an acrobat! That's the kind of an aggregation which gets real music out of dumb animals at a dance.

And real music makes even the best dancer thirsty. All right! Go over in the corner by the palm trees and quench your thirst with "Canada Dry." This ginger ale has a delightful flavor . . . tang to it . . . dryness . . . sparkle. It has a subtle gingery flavor because it is made from pure Jamaica ginger. It contains no capicum (red pepper).
