Nebraska-Kansas State Tilt Feature of Conference Frays This Week.

By MURLIN SPENCER. The Big Six championship race

took a decided turn Saturday with the upset victory of Iowa State over Kansas Aggies. The Aggies. conceded by many to be the outstanding contender for the title was dropped down into third place by its defeat, with Nebraska and Iowa State still tied for the lead.

Iowa State's 7 to 6 victory was unexpected to say the least, and proves the Cyclones to be the real dark horse in the conference. though the Kaggies outyarded and gained more first downs than Iowa State, they lacked the necessary scoring punch when near the goal line. The Aggie score came on an 80 yard run by Auker. A pass from Shafroth to Wells for 40 yards was good for the touchdown for lowa State while the toe of Dick Grefe added the extra point that proved to be the deciding score of the game.

Oklahoma Wins Game.

Oklahoma won her first conference game from Kansas 10 to 0 in the only other league game scheduled. Kansas is now in a tie for place with Missouri while Oklahoma jumped to fourth place. A homecoming crowd of 16,000 went wild in the final period as Bob Dunlap ran 47 yards for the 43 vard line.

Nebraska took a comparatively will preside. easy game from Iowa, 7 to 0, in a non-conference game at Lincoln. The work of the Husker line and Marvin Paul, game captain, was especially impressive in the Nebraska victory. The Huskers threw away numerous chances to score.

Missouri broke her long losing streak with a 32 to 20 win over Drake at Des Moines Friday night. A powerful offense was responsible for the Tiger victory.

Huskers Face Aggles.

The most important game in the conference this week is the Nebraska-Kansas Aggie game at Manhattan. The championship was expected to hinge on this game but with the defeat of the Aggies part of the importance of the game is lost. From Nebraska's standpoint, however, the game is of decided importance. Iowa State does not play a conference game this week, and if the Huskers lose the Iowans will be left alone at the (Continued on Page 2.)

REVISE CAMPAIGN PLANS FOR SALE

Will Not Canvass Residents As Planned; Think Move Would Be Untactful.

Plans for the concerted sales campaign of tickets for the twenty-third annual military ball, involving an organized canvass of the city by R. O. T. C. cadets, have been discarded, according to a report from Capt. W. G. Spoerry who is in charge of the ticket sales.

It was explained that the reason for altering sales plans was due to an administrative suggestion. The administration believed that it might cause a certain degree of resentment against the university should an organized student ticket selling campaign be conducted over the entire city during such a time of economical reverse as this. It was recalled that several years ago merchants protested against student soliciting in the business district and it was thought that is would be wiser to drop the campaign as planned.
The special "campus day" which

opens ticket sales for the formal event will be held Friday, Nov. 13, as originally planned. Both ad-vanced and basic students registered for the military course will be in uniform to stimulate sales. They will solicit all members of their various classes and anyone (Continued on Page 2.)
