ARKANSAS QUINTET WALLOPS NEBRASKA BY 41 TO 24 COUNT

Veteran Razorbacks Outplay Huskers in First Tilt Of Cage Season.

By Burt Marvin.

veterans from Arkansas invaded the Nebraska cage court Friday night and walked off with a 41 to 24 victory over the Cornhuskers, in the first game of the season. The losers piled up an early lead in the first ten minutes of play, but the Ozark cagers came from behind a 12 to 4 lead to tally on a string of underbasket shots by Jim Sexton and lead at the intermission, 25 to 12.

ling and passing on the part of the visitors, Coach Bassett's men performing in an unhurried fashion befitting a group of veterans playing together for their third consecutive year.

Before the contest was very old the Huskers were off to a fine start when Walt Henrion accounted for a couple of nice shots before the Razorbacks could manage to tally. Following Captain Kendall's score on a free shot George Sauer broke into the scoring column from under the basket, and Henrion again swished the net from the side. Sexton then scored with his first underbasket setup on his list for the evening, and Tom Murphy, with a free shot, made the

Tide Now Turns.

Then the tide turned. Immediately following Paul Mason's departure from the game due to injuries sustained in a hard fall, the Browne five which previously looked like an inspired ball club, bogged down, and at the same time the visitors flashed an offensive power which carried them through a rally which netted a string of 21 points, the Huskers being held scoreless. During this spree Jim Sexton, the husky southern allconference center, bagged six field goals from under the basket and one free throw, with Kendall and Epsilon, first sergeant. Murphy taking care of the remaining scoring.

Coming back in the remaining twenty minutes the Scarlet and Cream basketeers did a much better job defensively, with the invaders outscoring them only 16 to 12 in the second half. With Sexton standing as the marked man 3 o'clock, by the University Choral in the eyes of the Nebraska defense, Captain Kendall played the underbasket roll in the Arkansas fine arts program has been postofensive, but didn't meet with the success experienced by his mate in date. the initial period.

PI SIGMA ALPHA HAS

Political Science Honorary Initiates in Ceremony Friday Night.

Pi Sigma Alpha, honorary po-litical science society, initiated seven new members Friday night at the Lindell hotel. The initiation ceremony was preceded by a dinner at the hotel. Professor Lancaster of the university political science department spoke to the initiates and members.

His speech stressed the need for general knowledge in all fields. A cool headed band of court Specialization to the exclusion of a well rounded education he feels is detrimental.

The seven initiates were Ira Bradshaw, Harold Finnigan, Harold Spencer, Edwin Austin, Frederick Hart, Otto Kotouc and A. Bower Sageser.

The most outstanding feature of the tilt was the calm ball hand-CONDUCTS INITIATION

Honorary Drill Organization Takes in Nine Men and Elects Officers.

Nine men were iniated by Scabbard and Blade, advanced drill organization last Thursday. New officers for the second semester were elected at the meeting.

The new members are: Edward count 8 to 4, Nebraska, but the Scarlet team braced as Steve Hokuf and Ken Lunney caged their initial counters.

SEVEN NEW MEMBERS CHRISTMAS AWGWAN TO APPEAR MONDAY ON HUSKER CAMPUS

December Issue Presents Sohpomore Beauties Among Features.

Appearing in the Christmas Awgwan will be the picture of the six prettiest sophomore girls of the respective sororities. The mag-Prof. P. Senning, also of the azine will go on sale Monday in political science department, spoke Social Science, Mechanical Artsand Teachers college buildings as well as several newsstands. A girl of the month has been selected and her picture will also appear in a prominent part of the magazine.

"Santa's Pants," a story by William McCleery, is featured in this issue. "Freshman Holiday," or Love Finds a Way for Chuck and Phyllis," by Neil McFarland is the second of a series of stories of the adventures of Chuck and Phyllis, the companionable freshmen. The first of the series was "His First Military Ball," which appeared in the November issue of the Awg-

"Leaves from Our Fashion Notebook," by Katherine Howard, also is found in this issue. The notes are accompanied by several sketches from the author. "Vacation Scenes," two pages of car-toons by Morris Gordon portraying student adventures are among the features of the magazine.

"Detective Story No. 2105," by Marvin Robinson which also is found in the "Noel" issue, combines the styles of all of the prom-

inent detective story writers.

The cover of the Awgwan, 'Noel," is drawn by Norman Hansen. It portrays several angels waving N flags and blowing trum-

STUDENT ORCHESTRA TO PRESENT CONCERT

School of Music Group to Play at St. Paul's Sunday Night.

The school of music symphony orchestra will present a concert at the St. Paul M. E. church Sunday evening at 7:45. The concert, to be slightly over an hour long, is under the direction of Prof. C. F. Steckelberg of the school of mu-

In commenting on the numbers to be presented, Professor Steckelberg said that the feature of the program would be Haydn's Symphony No. 7, scored without clari-net. The fact that the symphony is scored without clarinet has an interesting history, according to Steckelberg. Haydn and his host at a concert were enraged by the fact that the first clarinet player inserted a very floral cadenza in one of Haydn's symphonies. Haydn, Dr. Esther S. Anderson, instruc- in order to show the gentleman lecture at Goenner, on the subject, without a clarinet, wrote this music without clarinet.

Small Instrument Measures Heat of Stars Accurately, Astronomer Says

Heat of stars which have no | part of an ordinary drop of water. more effect on the earth than a be measured to a reasonable degree of accuracy, according to Dr. Seth B. Nicholson who gave a number of talks in Lincoln Friday. Dr. Nicholson is attached to the Mount Wilson observatories.

At an open meeting Friday evening of the Nebraska chapter of Sigma Xi, Doctor Nicholson explained how he and a Nebraska co-worker, Dr. Edison Pettit, formerly of Peru, had worked out the process. Some of the stars measured by the men have about the same heat effect on the entire United States that the sunlight would have on a single square yard of the earth Nicholson declared.

The heat from the stars is measured thru the use of "thermocouples," a tiny forked instrument upon which the heat of the star is for his discovery of the ninth satel- the Museum believes that the proregistered. The point of concentration is a tiny bit of tin and bismuth taking his first collegiate work at new year will be equally attracalloy, about the size of a 1-1,000 Drake university at Des Moines. I tive.

The star is potted thru the great candle placed 100 miles away can Mount Wilson 100-inch telescope, one of the largest in the world. Doctor Nicholson estimates that their computations for each star are always within ten degrees of the actual temperature, the variances being caused by conditions of the earth's atmosphere.

Doctor Nicholson had been scheduled for a university convocation Friday morning, but due to faulty train connections, he arrived in town barely in time to attend a luncheon given in his honor at the University club. He gave part of his scheduled morning adress at the evening meeting, outlining the great advancements made down thru the ages in the development of knowledge of the earth and the universe of which it is a part.

'Messiah' Director

- Courtesy The Lincoln Journal. Prof. Howard Kickpatrick, director of the School of Music, this afternoon will conduct his sixth presentation of Handel's "Messiah" since he has been on the University of Nebrasica campus. This oratorio has signalized the opening of Christmas week for thirty-seven years at the university.

CARNIVAL ANNOUNCED

Plan Ice Event After Winter Vacation.

An all university ice and skating carnival will be held shortly after Christmas vacation on some pond near Lincoln, to be designated in near future, according to LaVerle Herman, president of the W. A. A.

This winter sporting event was originally planned as a part of the women's sports, but the W. A. A. decided to secure the support of the men and make the event an all university frolic, on a much larger scale than the women could Eleven Members of Local otherwise sponsor independently. A building in which the spec-

tators and skaters can warm themselves will be provided and refreshments will be available. Exhibitions of fancy and figure skating are being arranged as a part of the entertainment. Music will be transmitted thru amplifiers.

All arrangements so far have been handled by the W. A. A. committee including Marion Smith, chairman, Hllene Haxthausen and Maxine Packwood. This committee is supervised by Miss Clarice McDonald, W. A. A. sponsor.

Rudy Vogler, head of men's intramural sports will appoint a committee and head the arrangements for male participation in staging the event.

CHRISTMAS CUSTOMS IS MUSEUM FEATURE

Miss Shanafelt to Give Talk and Film With Museum Program.

"Old Christmas," a talk on customs and the origin of Christmas, by Miss Marjorie Shanafelt, curator of visual education and in charge of museum programs, will feature the Nebraska State Museum's Sunday afternoon program for adults, this afternoon at 4:15 o'clock in Morrill hall's downstairs auditorium.

A film, "The Night Before ance; Robert Hird, Christmas," which is a Yuletide John Stone, Omaha. fantasy, will be shown both on the adult program and for the feature of the children's program will be the story in verse by and Little Bo-Peep," told by Miss Shanafelt.

M'LEAN HALL TAKES PLACE AS DELTA CHI

Initiated as National Officers Present.

Eleven members of McLean Hall were initiated into Delta Chi national Saturday afternoon and evening in an impressive ceremony held at the Delta Chi chapter house. National officers and prominent alumni of the national assisted in the affair which marked the merging of the two fraternities.

Rev. Ray E. Hunt, pastor of the Lincoln First Christian church, was made an honorary alumnus of Delta Chi in recognition of his many years as sponsor of the Mc-Lean Hall group. Leonard Quinn of Omaha, a McLean Hall pledge, was made a pledge of Delta Chi.

National officers taking part in the ceremony were C. S. DeRoin, of Kansas City, Mo.; treasurer, Don K. Isett, assistant executive executive secretary; Howard L. Kellogg, auditor; and O. K. Patton, secretary. The latter three are of Iowa City.

Initiates were George D. Morrow, Blue Hill, Kas., former president of McLean Hall; Richard Maybourne, Diller, vice president; Gregg E. LeMaster, North Piatte, secretary; William J. Hendy, jr., North Platte, treasurer; Charles E. Gray, Omaha, local adviser; Albert Moleaner, Lincoln; Dwight D. Cole, Bennet; Delmar Baylor, North Platte; James Hilton, Alliance; Robert Hird, Lincoln, and

Among the alumni were Judge E. B. Chappell, Lincoln; Everett L. children at 2:30 o'clock. Another Randall, Kearney; John C. Grover, Kansas City; Robert Armstrong, Auburn; John L. Barton, Tim Sul-Thomas Hood, "Tommy Tucker livan, L. V. Smetana, Paul Baker, Car 'mith, Willard Greenand, R. inson, all of Omaha; Ed Ku-The Museum announces that bat, Friend; Ralph Kryger, Neligh, John Mullen, Falls City; L. C. Westwood, Tecumseh; E. S. Shiefebein, of Wahoo; L. F. Klein, of Crete; Dr. M. C. Noble and Judge

> Mert Bates, Lexington. A banquet at the Delta Chi chapter house Saturday night con-

cluded the meeting.
