### Triangular Meet With K. U. And Kaggies Added to Schedule.

Fourteen men have been selected by Coach Schulte to make the jaunt to Des Moines, Ia., where they will compete in the Drake relays this Friday and Saturday. This will be the second outdoor meet for the Nebraska track and field team this spring, the Scarle having been represented at the Kansas relays last week.

The men who have been selected to make the trip are Frank Booth, Clem Lamereaux, Heye Lambertus, Jerry Lee, sprinters; John Roby, pole vault, sprint relays and broad jump; Glenn Skewes, pole vault and discus; Everett Mead, shot-put; Don Gray, broad jump and high jump; Ray Toman, high jump; Roberts, relays; Jim Story, 2-mile and distance medley relay; Glenn Funk, distance medley relay; Adolph Dohrmann, 120-yard high hurdle and possibly Jones, javelin thrower, who may be eligible in time to go along.

The team will leave from the coliseum by car at 5:45 Friday morning, and will arrive in Des Moines in time to compete in the preliminaries at 1:30 Friday. During the two-day stay in the Iowa city the group will stay at the Chamberlain hotel.

Another meet has been added to the list of meets in which the Huskers are scheduled to compete during the remainder of the school year, a triangular affair with Kansas and Kansas State having been arranged for Manhattan on May 6. Then comes the Minnesota meet on May 13 here in Lincoln, and on the 19 and 20 of May the Big Six meet is set for Lincoln.

# JUDGES ANNOUNCED FOR INTERFRAT SING

### Trophy Awarded to Winner Will Be Donated by Ben Simon's.

Judges for the Interfraternity Sing, selected by Kosmet Klub, dramatic organization sponsoring the event, were announced yesterday afternoon after a meeting of the Klub. The Sing will be the first event on the morning program for Ivy Day.

The judges are: Ed Wait, manager of a local music establishment; H. J. McCulla, prominent local musician, and Miss Catherine Kimball, former chorus instructor. Both Wait and McCulla have been judges at previous Interfraternity Sings.

The trophy awarded annually to the winner of the event will be donated this year by Ben Simon's. The Magee trophy was awarded permanently to Beta Theta Pi last year for winning the event three years in succession.

About fifteen fraternities have signified their intention of entering the Sing, according to Charles McCarl, Klub member in charge of the event. A few more are expected to enter before the deadline, however, which is Friday, April 28.

All-University boxing, golf, and horseshoe. The entry list for the All-University horseshoe, golf, and boxing will be held open until Friday at 5 o'clock, and if there are not enough entries at that time to merit holding competition there will be none.

# COACH SETS THURSDAY FOR TRI-COLOR MATCH

### Weather and Final Tryouts For Drake Relays Limit Wednesday Event.

A combination of inclement weather and the fact that final tryouts for the Drake Relays were in progress on the varsity track caused the turnout of tri-color to be rather limited and as a result only a few events were run off. Coach Schulte announced that the tri-color meet would be completed Thursday afternoon and desires to have all tri-color men report.

A strong head wind from the north contributed largely to the slow times. Although running in different heats, Harry Kaufman and Leland Copple raced over the quarter mile route in 53.6 seconds for the outstanding mark. Complete for Wednesday afternoon performances:

440 yard dash: Kaufman and Copple (tied for first); Housel, second; Pankenin, third; Dahlman, fourth. Time 53.6.

100 yard dash: Won by Jacobs; Fischer, second; Taylor, third; Housel, fourth. Time 10.4.

Shot put: Won by Beatty (40 feet 11 inches); Wilson, second; Fuessner, third; Heldt, fourth.

Javelin: Won by Long (162 feet 5 inches); Beatty, second; Copple, third.

Discus: Yost (113 feet); second, Wilson.

Mile run: Matteson, first; Beaver, second. Time 4:44.4.

# FINALS WILL BE PLAYED

### Phi Kaps and Delta Sigs to Compete in Horseshoe Title Match.

Phi Kappa and Delta Sigma Phi have advanced to the finals of the interfraternity horseshoe tournament and, according to Rudy Vogeler, must have the title match played by the end of the week. All score cards which have not as yet been turned in must be in the athletic office so that the teams may get credit for competing.

In the semifinals Phi Kappa defeated Farm House and Delta Sigma Phi won from Sigma Phi Epsilon. Farm House and Sigma Phi Epsilon will battle it out for third and fourth places.

# Should Schools Give True Meaning To 'Stein Song' Is Current Topic

By College News Service. On many a campus throughout the United States now the question of whether to give such college tines as the Maine "Stein Song" a newer and perhaps truer meaning was the subject of much discussion.

In those states where legalized beer is being sold, college authorities are debating as to the feasibility of allowing beer to be sold on the campus and by student concessions. In few cases was such permission specifically granted, and direct orders were issued at several leading institutions, including Columbia university and the University of Pennsylvania, against the sale of any alcoholic beverages on any part of the campus.

Many pleas were filed with officials of certain colleges by students who asked that they be allowed to order beer with their meals when purchased in student-operated dining rooms, but for the

most part these pleas fell on deaf ears. However, this did not prevent many Greek houses from serving—or at least condoning the drinking—of legalized beverages, and there was nothing to prevent students in most cases from obtaining beer at off-campus restaurants and other sales places.

At the University of Michigan, Dr. Warren E. Forsythe, director of the university health service, issued a warning to students against excessive beer drinking.

"The return of legal and cheaper beer will be a challenge to the good sense and self-control of our students," he said. "A past observation and a knowledge of the physiological action of alcohol, one cannot help but fear that student health is going to be injured in several ways if drinking increases."

One of the several ways, he explained, is the possibility that more automobile accidents involving students may result.

# AG BASEBALL TEAM STAGES WORKOUTS

### Coach Knight Announces Schedule of Four Games.

Despite the fact that the University of Nebraska athletic department is neither financing or supporting a baseball team this spring due to a shortage in the athletic fund, enthusiastic past-timers out at the agricultural college have decided to carry on the game here, and under the tutelage of Coach Wilbur Knight have been working out daily. Coach Knight has arranged a schedule of four games to date with others tentatively booked, though not definite.

The Ag mentor has a well balanced outfit melded together and sprinkled here and there with veterans and expects his nine to perform satisfactorily. The pitching situation is the least of his worries, two veteran flingers being ready for action. Leon Wondra and Albert Harding will do the twirling for the Aggies. Jess Livingston, shortstop, is the other letter-man available. The rest of the squad is composed of comparatively green material, but according to the coach, is shaping up well.

The Nebraska Aggies will inaugurate their diamond campaign May 6 on the Ag college campus when they engage Concordia college as a feature of the Farmer's fair. The return game at Seward is booked for May 16. York college will form the opposition at York May 12, the concluding battle of the home and home arrangement scheduled for Lincoln on the nineteenth.

Coach Knight has the following ball players making up the personnel of his squad: Lloyd Antes, Forrest Bauer, Ralph Copenhaver, Harold Cortes, Charles Costin, Leonard Hoegemeyer, Herbert Hartley, Glenn LeDeiyt, Herman Levinson, Jess Livingston, Ralph Mason, Paul Mason, Perry Meredith, Fred Oetgen, Edward Orcutt, Ray Pierson, William Ralston, Cletus Reinmiller, Louis Schick, Tom Snipes, Leonard Wenzel, and Leon Wondra.
