

THE NEBRASKAN

Vol. IV. No. 4.

UNIVERSITY OF NEBRASKA, LINCOLN, OCTOBER 18, 1895.

PRICE 5 CENTS

IT OUGHT TO BE A TIE

NEBRASKA NOT OUTPLAYED

A Fumble, a Touchdown on a Fluke and a Rank Decision Gives Butte the Game—The Score.

The University football team was defeated by the athletic association team of Butte, Mont., by the score of 16 to 6, Wednesday afternoon, on the latter's grounds at Butte. Despite the one-sided score, Nebraska was considerably in it, and but for an unfortunate fumble and unjust umpiring, the score would have been tied.

Butte has been in practice all summer long and they went into the game to win. Their wicked and vicious playing is attested by the fact that three of our players were injured and left the field. None of them were seriously injured, however.

The line up:
NEBRASKA
King.....left end.....Whipple
Slatyer.....left tackle.....Shedd
Perham.....left guard.....Wilson (Capt)
Smith.....right end.....Shue
Ellis.....right tackle.....Hayward
Weiss.....right guard.....Thomas
Langley.....centre.....Keller
Richards.....quarter-back.....Packard
Brooks (Capt).....left half.....King
Gillis.....right half.....Jones
Laswell.....full back.....Fair

Butte substitutes: Boyce, Macpherson and Griffith. Nebraska substitutes: Thomas, Thorpe and Wiggins.

Butte took the ball after the kick off and in twenty minutes scored a touchdown, mainly by bucking the line. When within forty-five yards of Nebraska's goal line, the Butte heavy full back went through a hole and scored a touchdown, from which a goal was kicked. Score, Butte 6, Nebraska 0.

Nebraska kicked the ball nearly to Butte's line. They brought it back several yards by bucking the line. Then by an accidental play, Brooks, left half, got through the line. With a clear field he had little trouble in scoring a touchdown. Goal being kicked, the score was, Butte 12, Nebraska 6.

No further scoring was done in the first half.

When Nebraska secured the ball after the kick off in the second half, steady end runs, aided by some of our famous interference, took the ball to within twenty yards of Butte's line before they got it on downs. They did not keep it very long and Nebraska soon pushed it over. Fair kicked goal. Score, Butte 12, Nebraska 6.

On the next kickoff Nebraska got the ball and repeated the former dose, taking it within fifteen yards of their opponents goal line. Butte secured the ball on an unfortunate fumble and carried it quite a distance. Then on a fluke they scored a touchdown. The umpire allowed it, despite a strong kick from Nebraska. Failure to kick goal left the score, Butte 16, Nebraska 6. It remained so until time was called.

The team's failure to win at Butte has caused no lack of confidence in their ability among their friends at home. While defeat was unexpected, yet everyone looks upon the bright side of it and says, "Well, it's not a league game and don't count." Butte's line averages 215 pounds, to each man. Our boys are unexpected to go through a wall. So much beef is sure to count, where it is used to the climate, while Nebraska had this difficulty to add to their troubles.

SECOND ELEVEN IN IT.

The second eleven left for Hastings Thursday evening to meet the Y. M. C. A. club of that city in a foot ball game Friday afternoon. Everyone is glad to know that a foot game has been arranged for them, as the boys who battle against the "big men" in the first eleven ought to get a few of the benefits the foot ball players fall heir to. The line-up will probably be as follows: Bowman, l. e.; Sergeant, l. t.; Kindler, l. g.; Humphrey, c.; Polard, r. g.; Corr, r. t.; McKay, r. e.; Spooner, quarter back; John Cameron,

r. h.; Oury, l. h.; Phillips, f. b. Substitutes: Broady, end or tackle; Boothe, tackle.

THE SIOUX CITY GAME.

The Nebraska University football team "played" with the athletic association team of Sioux City, last Saturday on the latter's ground. The line up was as follows:

SIOUX CITY. NEBRASKA
C. Marks.....right end.....Thorpe
Young, J.....right tackle.....Hayward
C. Baker.....left guard.....Bud Jones
Wright.....center.....Dungan
Williams.....left guard.....Wilson, Cap.
Tiedeman.....left tackle.....Shedd
Caton.....left end.....Thomas
Shue Sawyer.....quarter back.....Packard
Howell.....left half back.....Wiggins
Baker.....full back.....Fair
Marks, Cap right half back.....H. Jones

The score, Nebraska 38, Sioux City 0; touch downs, Fair 2, Dungan 1, Shedd 1, Wilson 2, Thomas 1, total 7; goals Shedd 5. Packard put up a stiff game at quarter. Two good runs are credited to him, one of ten yards and another of thirty.

DELTA TAU DELTA RECEPTION.

One of the prettiest receptions of the season was given by the Delta Tau Deltas at their chapter house, Twenty-fifth and R streets, to Chancellor and Mrs. McLean and the alumni of the fraternity and their wives, Tuesday evening.

It was the first chance the outside world had had to see the new chapter house, and its comforts and elegance aroused envy in many souls. The rooms are large and handsomely furnished, and Tuesday night, under the soft glow of the light shed from purple, white and gold shades (the fraternity colors), with cheery fires burning in the grates, and with a profusion of scarlet and cream roses, they presented a particularly attractive appearance. The table where the ices were served was covered with carnations and pansies, the latter being the fraternity flower.

Mr. Gillman and Mr. Riley, the new initiates were in evidence, receiving the congratulations of the crowd.

The Deltas are such royal entertainers that it is superfluous to say that everyone had a splendid time.

Those receiving were Eugene Brown and Robert Manly. Miss Jo Lottridge served the refreshments, which consisted of ices.

FALLS CITY CLUB.

Last Friday evening, at the call of Prof. Reese, superintendent of the Falls City public schools, the students of that place attending the State University met in the parlors of the Lindell hotel to organize a Falls City University club. There were about fifteen present and an organization was effected with the following officers:

President, W. S. Hutchings; Vice-President, Miss Emma Boose; Secretary, L. M. Weaver; Treasurer, Zeno Elijah Crook; Executive Board, Allen D. May, John Boose, Miss Fannie Morton. Black and red, the colors of the Falls City high school, were adopted as the colors of the club. Prof. Reese and Miss Anna Thomas, a teacher in the Lincoln high school, upon motion of A. J. Weaver, were elected honorary members.

THE POLYTECHNIC ALL RIGHT.

In response to a request from the managers of the Lincoln Polytechnic institute, to investigate their standard with a view to being placed upon the list of accredited schools, the committee of the faculty on such matters took the matter in hand, and Wednesday Prof. Fling spent the day in looking over the new institution.

He reports everything satisfactory. The president and director, he says, are doing their best to establish a first-class preparatory school, more than the equal of many of the high schools of the state. It is not a normal school, but what its name indicates, a "polytechnic" school.

The report will undoubtedly be entirely satisfactory to the faculty and soon the new institution at Hawthorne will practically take the place of our preparatory department.

DEBATES ARRANGED

REGISTRATIONS ARE CLOSED

Required Number in Each Division—Preparations for the Preliminaries in Progress—Questions Selected—Sides Chosen.

Preparations for the preliminary Kansas-Nebraska debate are rapidly being completed. The registrations have closed and the full number for each division has been secured. Yet some have dropped out, leaving two or three vacancies that will probably not be filled.

There are eight men in each division or should be. Each division selects its own question, and sides are taken by mutual agreement. As so many have changed from the affirmative to the negative, and vice versa, the sides taken are not given in the following list of divisions and debaters. The exact wording of the questions could not be obtained and may be wrong in some trifling way.

The debaters in the first division are J. K. Beattie, H. W. Quaintance, W. H. Oury, S. W. Plakerton, V. R. McLucas, R. H. Graham, W. T. Elmore and J. Castor. Their question is: Resolved, That the judge is more competent to render decisions in equity cases than a jury.

The second division embraces J. W. McGuffey, Clint Barr, Arthur Mayer, P. A. Powers, P. J. Mageire, Chas. Kuhlman, Mitchell and Coleman. Their question is: Resolved, That the United States Congress should enact a law providing for the establishment of a board for the compulsory adjustment of all labor disputes.

The third division comprises L. J. Abbott, R. S. Hunt, J. W. Searson, J. H. Lien, H. E. Newbranch, Adam McMullen, A. L. Brown and F. Rogers. Question: Resolved, That Cleveland was justified in his action regarding the recent bond issues.

The fourth division is composed of A. W. Meier, H. P. Leavitt, A. J. Weaver, W. H. Rhodes, F. W. Williams, N. C. Abbott and R. S. Baker. Question: Resolved, That it should be the policy of the United States to increase its domain.

BATTALION NOTES

Artillery detachments for artillery practice with the new breech loading cannon will soon be formed. A cavalry squad is also contemplated.

New cadets are now strictly subject to all regulations of the battalion and awkwardness or ignorance of what is required of them will be reported if any such is exhibited.

The new cadets will soon be placed with the companies to drill there the first half of the hour. The remainder of the period will be spent in drilling in squads.

Honorable discharges for all cadets who have drilled the required three years have been prepared and are now being given to the men. They are in imitation sheepskin and resemble a diploma in many ways. In fact they are meant for diplomas. They are made out in the rank that the cadets held when their required drill was completed. If a man drills his fourth year as a captain his discharge is made out as a sergeant.

ANNOUNCE THE SOMBRERO.

If some good, energetic work is going to secure an Annual for '97, the committee of ten selected for that purpose is going to present a feasible plan for the production of that article at the next class meeting. Numbers of this committee are very desirous that all should have a chance to subscribe for one or a dozen. Anyone who is willing to take one should thus encourage the project by seeing that their name is down, so a good showing can be made in the committee's report. Names should be handed to one of the following persons who constitute this committee: Fred Hall, chairman; Misses Eva O'Sullivan, Sue Pillsbury and May Rhodes; Messrs. Steve Corey, I. S.

Cutter, Chas. Kuhlman, J. P. Cameron, H. C. Parmelee and R. S. Baker.

The committee met yesterday afternoon and arranged for some systematic work. Sub-committees were appointed, one to solicit among the faculty, one among the students and one among the alumni. A complete and definite report is expected at the next class meeting.

FIRST STUDENTS' RECITAL.

The first recital for the season of 1895-96 by the students of the University School of Music was given Wednesday night in chapel. As these recitals are free, a large audience always greets the musicians. The size of the audience present Wednesday was no exception.

The program, which was especially well rendered, was as follows:

- Waltz for Mandolins—Daughter of Love.....Benmet
- University Mandolin Club.
- Piano Solo—Bourree from 3rd 'Cello suite.....Bach
- Mabel Metcalf.
- Soprano Solo—What are These That are Arayed?.....O. B. Brown
- Lizzie Humphrey.
- Piano Solo { Impatience } Op. 45
- { Warrior's Song } Heller
- Kate Joyce.
- Soprano Solo—The Gate of Heaven.....B. Tours
- Imogene Clinton.
- Violin Solo—Sounds from the Tyrolese Mountains.....Kafka
- May Belle Hagenow.
- Soprano Solo—Ora pro nobis.....Paccolomini
- Gertrude Wright.
- Piano Solo—La Chasseresse. Sterberg
- Adelaide Thomas.
- Contralto Solo—Calm is the Night.....C. Bohm
- Eugenia Getner.
- Piano Solo—Grand Valse, Op. 34, No. 2.....Chopin
- May Crawford.

COMPARATIVE ATTENDANCE.

Reports of attendance from the heads of the various departments are nearly all in. The following report shows the number registered for each department, compared with this time last year. The Greek and Electrical department reports are not yet in, and are not given.

Department	1894	1895
American History.....	150	120
Botany.....	301	253
Chemistry.....	394	375
Civil Engineering.....	58	28
English.....	710	606
English Literature.....	418	448
Entomology.....	25	22
European History.....	338	168
Geology.....	131	110
German Language.....	454	390
Horticulture.....	18	14
Latin.....	575	398
Manual Training.....	276	600
Mathematics.....	643	472
Philosophy.....	171	151
Physical Training.....	705	330
Physics.....	357	330
Political Science.....	80	82
Romance Languages.....	205	228
Zoology.....	75	129
Pedagogy.....	59	59

JOINT PROGRAM.

The joint society of the three literary societies will give a program one week from tomorrow evening, Saturday, October 26. Besides several excellent musical and literary numbers there will be a short play. The farce has an interesting title, "A Proposal Under Difficulties," and the conscientious hard work that is being put in upon it bespeaks good results. Miss Elizabeth Thompson of the Palladian, Miss Horn of the Delian and Messrs. Keene Abbott and Norman Shreve of the Union societies compose the cast. No admission is charged and all are cordially invited.

Go to Constance's barber shop, 1010 O street. First class workmen employed.

Ed Young's for new cigars, pipes and tobacco—1204 O street.

Don Cameron's lunch counter, 118 South Eleventh street.

A CHANGE IN PLANS

MISSOURI GAME AT ST. JOE

Possibly a Proposition From the Crescent City Athletic Association Will Be Accepted—The Terms.

The chances for a change in the location of the Missouri-Nebraska game, which is scheduled for Omaha November 2, are quite possible. Wednesday Manager Sheldon received a telegram from the managers of the Crescent City Athletic club of St. Joe, Missouri, guaranteeing all expenses and the entire net gate receipts of the game to the clubs if they would play the game on the scheduled date on the association's grounds in St. Joe. The telegram was forwarded to Sheldon and Whipple, and what they will do with the proposition is yet mere conjecture. If definite arrangements have not been made with the Omaha parties, a change in location is quite possible. The managers have a bone to pick with the Omaha people, as they are charging them one-fourth the gate receipts for the use of the grounds for one afternoon. This amounts to about \$400 rent for a half day's use of the grounds.

The St. Joe association is not going into it for any money, as is evident from their terms. If the game can be given under their auspices it will be a great thing for them. The club is wealthy and the boys would be treated in royal style. All the club wants is the glory of securing such an attraction for the St. Joe lovers of sport.

It will soon be known how the matter is to be settled, as it must be done right away.

WILL PLAY DOANE.

The foot ball managers are determined to have a game with Doane, but have been holding back for as good terms to play at Crete as we offered them to play here. Our offer was a guarantee of \$100. It was \$75 last year. Doane claims the championship of the state and insists that we pay there for the same guarantee that she played here last year.

In a communication in a local paper from Doane's manager it was stated that a game might possibly be "sandwiched" in with the State University, though their dates were all full. It will not be very hard to arrange a date that is, for Doane. Following is her schedule for the rest of the year:
Sioux City A. A.....October 26
Minnesota State Uni.....November 9
Ames College.....November 11

SECOND ELEVEN WIN.

The high school foot ball team lined up against the second eleven Wednesday night for two twenty-minute halves. During the first half the high school did fairly good offensive work, carrying the ball to within six inches of the second eleven's goal. They could get not one inch more, for the second eleven boys woke up and played the defensive successfully until they got the ball. The first half closed with the high school boys dangerously near our goal.

The second half was better for us, for the high school boys got tired. We made a touchdown in nine minutes, and another followed soon after; but not soon enough to keep the high school from scoring a safety. Spook failed to kick goal for the first touchdown, but Phillips did it all right the next trial. Cameron did some pretty work as right half, and little Phillips showed up well. This was the first chance at real play the second eleven had had; and, considering everything, it wasn't bad. Score, 10-2, in favor of the University.

The Smith-Premier Typewriter Co. have moved their office to 135 So. 11th Street, where they are showing their NEW MODELS Nos. 2, 3, and 4. If you have not examined them come in and do so. A full line of typewriting supplies handled. Telephone 439. C. W. Eckerman, agent.
