## MAN'S LITTLE HERE BELOW.

A little glade,  
A little shade,  
A little dear and dimpled maid.  
A little brook,  
A little book,  
A little fishing line and hook,  
A little hand,  
A little band,  
A little pledge—you understand.  
A little "splice,"  
A little rice,  
A little glimpse of paradise.

Oh, I'm Lieutenant Hobson, and I sunk the Merrimac,  
But now I'm cruising on the land to seek the merry snack;

I lecture forty minutes to the multitude and then

Kiss everyone in sight except the children and the men;

Grave girls, brave girls, girls who seem afraid;

Cold girls, old girls, whose teeth are tailor made;

Hired girls, tired girls, short girls and tall,

Tongue-tied and cross-eyed, I kiss 'em one and all.

The editors are howling mad because I've got a snap,

'Tis envy stirs 'em up and so I never care a rap;

And if the ones who howl the most and rant and rave and scoff

Had half a show, why don't you know we couldn't choke 'em off.

Sly girls, shy girls, hasty girls and slow,

Some who cling like everything, and some who touch and go;

Giggling girls, wiggling girls, large girls and small,

Thick or thin, I wade right in and kiss 'em one and all.

I'm likely to be "fired" from the navy, so "they say."

But what care I, since I may kiss five hundred girls a day?

So long as I may press their lips, I think I'd be a dunce

To long to face the cannon's mouth the way I did it once.

Fat girls, flat girls, sour girls and sweet;

Girls with beaux and pigeon-toes and No. 14 feet;

Lithe girls, blithe girls, and girls whose looks appal.

But having faced a cannon's mouth I face 'em one and all.

Why is John L. Sullivan like Daniel Webster? Because he is the greatest ex-pounder of the constitution.

Before marriage she was dear and he was her treasure, but afterwards she became dearer and he treasurer.

General in battle: "Fight like heroes, boys, until your powder's gone, then run, I'm a little lame, so I'll start now."

May: "I do wish the Lord had made me a man."

Edith: "Perhaps he has, my dear, but you haven't been able to find him."

If an S and an I and an O and a U with an X at the end spell Su,  
And E and a Y and an E spell I,  
Pray what can a speller do?  
Then if also an S and an I and a G  
And H E D spell side,  
There's nothing much left for a speller to do  
But to go and sommit Siouxeysighed.
