#### June Races.

Lincoln Park management have arranged a great program for their meeting June 16, 17, 18, 19. The first day is the 2:09 pace, sixteen entries; this will be the greatest field of fast pacers that ever started in the west. The 2:28 trot is likely to be one of the best matched races, and will likely take five or six heats to settle it. Then comes the three-year-old 2:25 pace, purse \$900; \$300 on each of three heats, money to be divided 50, 25, 15 and 10 per cent as they finish in each heat. Everybody is looking forward to this race with a great deal of curiosity. It is a new plan and one calculated to make it a genuine horse race for positions in every heat. No one can afford to miss this opening day; and yet while it has been arranged to be specially attractive, so will every other day have its special features. The purses are \$1,000 each and have brought out the pick of the best stables. Every race will be a contest of giants in their class.

The price of admission is just one-half regular prices for this class of races.

Admission, 50 cts.; grand-stand, 25 cts.; carriages free.
