

Foot Ball Outlook.

Manager A. A. Bischof of the foot ball team kindly furnished the HESPERIAN with a report of foot ball matters. Mr. Robinson, the last year coach is studying law in the east and is unable to consider a proposition to return as coach. There have been several applicants for this position all of whom are well known foot ball men and have a high standing among eastern teams.

D. L. Fultz of Brown University has been highly recommended by Robinson but his terms are very high. Lucian Stacy of Ft. Leavenworth, Kansas, is also an applicant. He is lieutenant in the U. S. army and an old player at West Point where he filled the place of end and half back. F. H. Yost of West Virginia university and a member of the U. of W. V. '94 and '95 team is also being considered. Mr. Yost is a large fellow 5 feet 11 inches in height and weighs 190 pounds. He has excellent recommendations from players on the eastern teams. There has been no action taken yet in regard to electing a coach and the very best man will be secured when a choice is made. The foot ball prospects in the U. of N. are more promising for the coming year than they have ever been before.

The foot ball association is out of debt and starts in with a new management which could not be strengthened. Mr Bischof graduates this year in the Academic College and will return next fall to take Junior law. He is energetic and a favorite among the business men of the city as well as college students. With such a man as manager there is no doubt of the success of the coming season.

The schedule of games which have so far been arranged is as follows:

Oct. 8—Nebraska vs Iowa State College, (Ames) at Lincoln. Oct. 22—Nebraska vs. Wm. Jewell College, (Liberty, Mo.) at Kansas City. Oct. 24—Nebraska vs. Missouri State University, at Columbia, Mo. Oct. 29—Nebraska vs. Grinnell College, at Lincoln. Nov. 5—Nebraska vs. Kansas State University, at Lawrence, Kans. Nov. 7—Nebraska vs. Kansas City Medics, at Kansas City, Mo. Nov. 24—Nebraska vs. Iowa State University. The game will be played either at Lincoln or

at Council Bluffs, Iowa.

There will also be games arranged with Universities of Minnesota and Wisconsin, and they will probably be played on our campus about the middle of November. No arrangements have been made with Wesleyan or Tarkio yet. Knox College is anxious to play the U. of N. here but no arrangements have been made.

Phi Beta Kappa Orator.

The Phi Beta Kappa orator for commencement week this year is to be Edward W. Emerson, of Massachusetts, the only living son of Ralph Waldo Emerson. He is a Harvard graduate and is a man of versatile tastes and attainments. He is well known as an author, speaker, physician, painter and lecturer. He holds a degree from the Harvard Medical School, but gradually withdrew from the practice of medicine to study art. He has published much and lectured much on various literary and artistic subjects. The Phi Beta Kappa society is fortunate in securing him for he will prove interesting as a speaker, not only because of his own personality and attainments but because of his father's name.
