ATTENTION, CADETS!

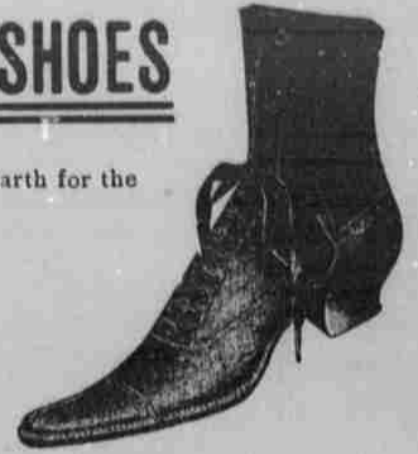

We make a Fine TAILOR-MADE Uniform, with a TRY-ON before finishing, that the fit may be satisfactory. The past two years we have made the Cadet uniforms, excepting a few who preferred to go to other dealers, as the students have always been privileged to place their orders with any firm, regardless of any recommends that have been made. Our order book for the past two years, with but few exceptions, indicates that only the better class of goods and workmanship is wanted by the students, and this is what we now offer.
