The Phi Delta Theta boys intended to have a coaching party last Saturday afternoon, but as there was no foot-ball game they gave an informal party at their home in the evening, instead.

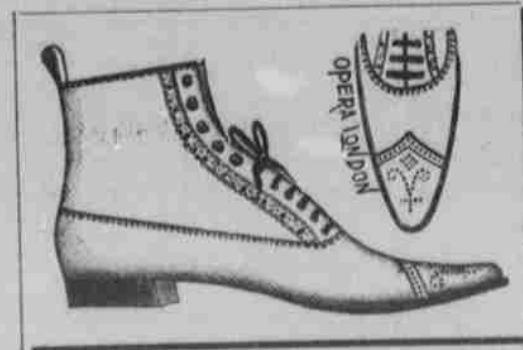

The companies of the battalion were organized for the first time last week. There will be only four companies this year; but they will be slightly larger than formerly. The uniforms are being made by an eastern company and will probably be here about Christmas.

Last Friday evening the Beta Theta Pi fraternity gave a very elaborate card and dancing party at its rooms in the First National Bank block. The rooms were especially decorated for the occasion. During the evening delicious refreshments were served.

The foot ball team starts for Kansas today at 1:30. The game tomorrow promises to be one of the fiercest struggles in the West. Both Nebraska and Kansas have been playing good foot-ball and this game really decides who shall have the pennant. Quite a crowd of foot-ball enthusiasts will accompany the team.

The Tau Delta Omicron boys expect to be initiated into Delta Upsilon sometime this month. The boys are congratulating themselves that they were able to get a charter from this fraternity, not only because of the high standing of the fraternity nationally but also because it has the reputation of being one of the most conservative fraternities in the country.

Society Programs

How about that program? It costs no more to have it printed neatly and attractively than to have a poorly gotten up affair that every member is ashamed to place in a visitor's hand. Your society will be judged quite largely by the style of its printed stationery. I can make it right.
