

MILLINERY...

There is a style, a finish, an indescribable something about our Millinery that makes it so popular with everyone. Of course it is the production of the very best eastern makers, and is of that high order of beauty and style so sought after by fashionable people everywhere. This, combined with price quotations lower than common goods are usually sold for, makes it possible for our patrons to wear ultra-fashionable Millinery at a remarkably small expenditure of cash. The prices of trimmed hats range 75c, \$1.00, 1.25, 1.50, 1.75, 2.00 and upwards to 18.00.

Through Tourist Sleepers to the Northwest.

○○○

The Burlington Route has established a twice-a-week car line from Kansas City and Lincoln to Butte, Spokane, Tacoma and Seattle.

Cars leave Kansas City and Lincoln every Tuesday and Thursday, arriving at Seattle following Friday and Sunday. They are upholstered in rattan. The bed linen and furnishings are clean and of good quality. The heating, ventilating and toilet arrangements are all that can be desired and each car is in charge of a uniformed Pullman porter, whose sole duty is to attend to the wants of passengers.

Cars run through without change of any kind and the berth rate from Lincoln to Tacoma or Seattle is only \$5.00. To intermediate points it is proportionately low.

Montana and the Puget Sound country are now enjoying a period of unexampled prosperity. As a consequence, travel to the Northwest is rapidly attaining large proportions.
