The general faculty has decided that hereafter the semester shall be the unit in offering courses of instruction. Heretofore most of the work has been given in September and few courses opened in February. This new departure will give eventually more prominence to mid-winter commencement than it has before enjoyed.

The Standard weights and measures, furnished to each state in the union by the United States, together with heavy oak cases and tables have been added to the collections of the State Museum. Along with this beautiful and costly set are two balances of great precision, with heavy marble-topped tables for the support of the same.

The summer session will open June 9, the day after commencement and close July 20. Work in at least ten subjects—English, English Literature, History, Latin, Modern Language, Botany, Physics, Chemistry, and Pedogogy will be given. It is expected that a great number of students, especially teachers, will be in attendance.

We Can Please You

A man is never at his best in the old-fashioned kind of ready-made clothes sold in most clothing stores. If you want to do yourself justice, try one of our Hart, Schaffner & Marx finely tailored suits. You can get one that will fit as though made to measure and bring out your good points better than anything the average tailor can make to your order. The H. S. & M. suits are elegant, durable and not expensive.
