

made twenty yards, when Benedict kicked the ball thirty-five yards.

The ball was now on Missouri's five-yard line. The Nebraska line at this stage of the game was like a stone wall and three attempts netted Missouri but one yard. They then kicked twenty yards and Benedict brought it back. Nebraska soon lost the ball and when time was called it was at the center of the field in the possession of Nebraska.

The line-up was as follows:

- McCaslin ..... L. E. .... Drain
- Hartung ..... L. T. .... Pearse
- Craig ..... L. G. .... Brew
- Kramer ..... C. .... Koehler
- Bohort ..... R. G. .... Ringer
- Kruse ..... R. T. .... Westover
- Wallace
- Saunders ..... R. E. .... Cortelyou
- Houx ..... Q. .... Tukey
- Washer ..... R. H. .... Benedict
- Cooper ..... L. H. .... Crandall

Y. W. C. A. NOTES.

The girls of the university should be sure not to miss the treat in store for them October 27-29. The state convention of the association will be held at that time in the First Presbyterian church of this city. Miss Coude of Chicago and other members of the international board of the Y. W. C. A. will give addresses. Miss Margaret Kyle, secretary of the city association will speak. Fine music; all are cordially invited.

A cabinet meeting of the Y. W. C. A. was held last Wednesday, at which plans were discussed for the association work. The outlook is most encouraging. The membership now reaches almost 200. This number, however, is small in comparison with the number of girls in the university. Why cannot all become identified with this association?

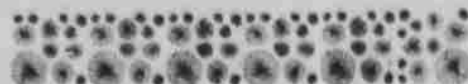

Six bible classes have been formed in the university. All girls are cordially invited to join at least one of these classes. The list of bible study classes is as follows:

- Studies in the Life of Christ (one hour credit), 310 L, Tuesday, 5-6. .... Dean Wilson
- The Life of Christ (Sharman), Y. W. C. A. room, Saturday, 3-4. .... Miss Katharine Woods
- The Life of Christ (Sharman), Y. W. C. A. room, Friday, 5-6. .... Miss May Hopper
- Historical Studies in the Old Testament, Y. W. C. A. room, Sunday, 3-4. .... Miss Margaret Lynn
- Fundamental Principles of Christian Living (Miss Babcock), Y. W. C. A. room, Tuesday, 5-6. .... Mrs. Hodgman
- Fundamental Principles of Christian Living (Miss Babcock), Y. W. C. A. room, Friday, 4-5. .... Miss Bertha Walvoord

Energy is being exerted toward obtaining a college secretary. The work of the association has become so heavy that this is an absolutely necessary addition.

NEW DYNAMETER.

Director Hastings has just received a standard dynameter, ordered some weeks ago. This interesting little machine, constructed from the finest steel and put together with the greatest skill, can by determining the separate strength of the chest, back and legs, compute the strength of the entire body in foot pounds without the slightest variance. The tests of the athletes and strong men of the university will begin in November and will be taken every Saturday thereafter. Accurate records of these tests will be kept in every case, and Dr. Hastings is confident that Nebraska men will show up well in the records of the national strength testing association, in which are represented the records of all leading colleges and universities of the country.
