

ment at the executive mansion Saturday afternoon, December 16. The club is composed of Misses Rena B. Alderman, Bessie Brown and Josephine Poynter; Messrs. Carl Shuff, Harry Landis, Claude Wilson and Theodore Hewitt.

On the 7th of February the annual meeting of the Nebraska state conference of charities and corrections will occur in the chapel of the state university, beginning at 2 p. m. and continuing for an evening session. This meeting should be of general importance to all who are interested in the study of the problems connected with the management of the morally and physically infirm, and those who for these and other reasons are in need of charity.

Drs. A. Ross Hill and David R. Majors attended the meeting of the professors of philosophy at Kansas City January 1. An association was formed under the name of the Western philosophical association. Its object is to increase the interest and stimulate original research in all branches of philosophy. Dr. Hill was elected secretary and treasurer of the new association. The next meeting will be held in Lincoln about January 1, 1901.

Everette Rhea, who left school some time ago to accept the state agency of a Chicago paper, will be in school again next semester.

Alvin Miller, '98, entertained the Delta Epsilon fraternity at his home Tuesday evening. Mr. Miller is at present connected with the Westinghouse electrical plant at Pittsburg, Pa., and is home for the holidays.

Miss Macfarland and Miss Jennie Macfarland entertained a number of their friends at a dancing party last Friday evening at their home on North Fourteenth street. The floors were canvased and refreshments were served during the evening.

Charles Schwarz, C. L. Shuff, W. H. King and Verne Hedge returned last week from Liberty, Mo., where they attended a district conclave of the Kappa Sigma fraternity. Representatives from Arkansas, Missouri and Nebraska were present. Mr. Shuff was elected district grand procurator. The conclave will be held in Lincoln in 1901.

BROWN WANTS TO PLAY BADGERS.

Brown university is looking for a foot ball game with Wisconsin next fall and would like a Thanksgiving day date at Chicago. The Brown people offer everything that could be desired in the way of terms. They will play on any date convenient for Wisconsin and at any place. This year's eastern game with Yale proved so disastrous to the Badgers that it is hardly likely an eastern game will be taken on the schedule next year. The management, however, is considering the advisability of playing the game in Madison early in November. A request has also been received from Lehigh for base ball dates this spring.

Went to see a foot ball game. Thought that I could play the same. So in haste I joined the 'leven—I am writin' this from heaven.
