Have your clothes pressed and cleaned at the People's Sutorium. Suit pressed, 50c; pants pressed, 15c. Students' agency at The Co-Op.

M. B. Ketchum, M. D., oculist and aurist. Specialty, correction of abnormal vision. Room 314, third floor, Richards block. Phone 848.

The only thoroughly good place in the city where a student can get any kind of board that he wants is at Cameron's cafe, 114-118 South 11th street.

During the past two weeks farmers' institutes have been held at Ansley, York, Tamora, Merna, Fort Calhoun, Friend, Kenesaw, Arapahoe and Alma.

The university is now buying all its coal of Charles B. Gregory (U. of N., '91) Why not buy your coal of him, too? The place is 1044 O street; the phone 343.

At a meeting held Monday, February 12, Professor Richards was elected secretary of the industrial college faculty and Professor Hodgman secretary of the academic faculty.

The Omaha Sunday Bee recently printed a three column engraving of the members at the Zeta province convention of the Phi Delta Theta fraternity recently held at Lincoln.

The first match game between Miss Whiting's and Miss Spurck's basket ball teams was played last Wednesday afternoon. The score was 7 to 12 in favor of Miss Whiting's team.

Since the meeting of the regents about the middle of December twenty-one scientific, educational and industrial societies have held meetings in the different buildings on the campus.

Guy Givingson, a former student of the university, a member of company M, First Nebraska, who was killed in the battle of Santa Mesa February 5, 1899, was buried at Plattsmouth Saturday.

For history covers, history paper, note books, fountain pens and all other college supplies go to the book and stationery department of Herpolsheimer & Co.

The preparatory medical society met last Wednesday afternoon in the chemistry laboratory. The chief feature of the meeting was an address by Dean Williston of the Kansas university medical school.

Albert Garringer, '00, received quite

The BIG SALE

Of

Men's Odd Trousers

Continues and is the most talked of and most heavily patronized mercantile event of the present season. Hundreds are taking advantage of this sale and are supplying their future Trousers needs while these bargains last. Remember that there were 4000 pairs bought for about half value and that we are selling them at a very slight advance over and above what we paid.

Nine Great Lots—See what they are and what they are worth.

Lot 1 at \$2.98

500 pairs of Men's finest tailor made Trousers, made of fine stripe and check worsted, hard finished cashmeres and solidly woven cheviots, worth in any store \$4.50, \$5.00 and \$6.00.

Lot 4 at \$1.98

475 pairs men's pants in one lot, elegant patterns of worsteds, modest and durable things in cashmeres, serviceable things in cheviots, for general business wear. True values \$3.50 and \$4.00.

Lot 7 at 98c

600 pairs of men's pants in this lot. Value for value they equal the general line being sold hereabouts for \$1.50 and \$1.75.

Lot 2 at \$2.75

450 pairs men's tailor made pants, cut from worsteds, cashmeres and cheviots, all are pure wool and are elegantly made; scarcely a pair in the lot worth less than \$4.50, \$5.00 and some as high as \$5.50.

Lot 5 at \$1.50

500 pairs of men's pants in all in this lot. They're all wool cheviots and cashmeres in fancy and plain colorings. They are worth easily \$2.50 and \$3.00 per pair.

Lot 8 at 89c

300 pairs in this lot, not a great many patterns to select from; they are, however, as good as you many see outside our store at \$1.25 and \$1.50.

Lot 3 at \$2.50

425 pairs of men's fine quality pantaloons; these are remarkable values, being grades from goods worth \$4.00 and \$4.50 and some as high as \$5.00. Maderias, worsted, cheviots and cashmeres. Every pair fully warranted.

Lot 6 at \$1.25

400 pairs in this lot; no greater values shown in our city at \$2.00 and \$2.50. They are well made, handsomely cut and we guarantee perfect satisfaction to the buyer.

Lot 9—Boys' Odd Long Pants

Boys' long pants worth 80c go at .50.50
Boys' long pants worth \$1.00 go at .75
Boys' long pants worth \$1.50 go at .98
Boys' long pants worth \$2.50 go at 1.50
Boys' long pants worth \$3.00 go at 1.98

All the Men's Pants above mentioned, except Lots 6 and 7, run in sizes 30 to 50 waist size and 29 to 36 leg length.

Armstrong Clothing Co.

an attack of grip a few days ago, which necessitated his leaving the university. He is now at his home at Osceola, but expects to be back in the university within a few days.

The Northwestern line and the F., E. & M. V. R. R. announce to the traveling public that they will make the low rate of \$17.50 to Hot Springs, S. D., and return on February 6 and 20 and March 6 and 20.

Professor Bruner will lecture at the farmers' institutes at Gibson, Holdrege, Elmwood and Farnam; also at Bennington and Douglas Grove. Dr. Ward will probably lecture before the institutes at Cozad and Elk Creek.

Professor Jean C. De Kolty of the high school has accepted an invitation from Acting Chancellor Bessey to deliver a lecture in French to the students of the university. The lecture will probably be given some time this week.

The literary societies are arranging for their annual oratorical contests. The usual prizes will be awarded, and in addition J. H. Hatfield of the Union society offers \$5 as a part of the prize to the successful orator of that society.

Jay A. Barrett, secretary of the Nebraska historical society, received from James Mitchell of Wilber, Neb., a letter last week in the hand writing of Charles I of England. This letter bears the date of Oxford, February 29, 1644, that year being a leap year, as is shown by the date.

The association of collegiate alumnae wishes to secure certain facts relative to the comparative health of college women, non-college women and college men. For this purpose blanks have been issued, three of which will be sent to each graduate of the twenty-two institutions comprising the association.

A generous citizen who has made other contributions to various depart-

ments of the university, each time withholding his name, has just presented to the state museum a finely polished slab of Missouri onyx, or travertine. This is the first piece of polished onyx received at the museum.

Professor Fossler recently gave a very interesting talk to the college settlement community, and Tuesday evening, February 20, G. H. Ellsworth, superintendent of the university grounds and buildings, will lecture on the proper care of the health of the neighborhood. This lecture course is proving very helpful and popular.

The Young Men's Christian association of the University of Kansas numbers two hundred and fifty. In the thirteen Bible classes one hundred and four men are pursuing regular courses of study. The association also maintains a missionary study class and a teachers' training class, and a Y. M. C. A. home, which is always open to the young men of the university.

Professors Davis, Hodgman and Moritz were invited to appear before the executive committee of the state teachers' association at the Lincoln hotel recently to present the claims of mathematics for a place on the general program at the next session. The claim was not only allowed, but permission given to import some noted mathematical leader to enrich the proposed program.

Posters of Maud Adams, Anna Held, Maxine Elliott, Mrs. Leslie Carter, etc., size 24x28 inches, 75c each. Indian hand poster, size 24x36 inches; the foot ball game poster, size 26x38 inches, 75c each. The golf poster, 24x36 inches; horse fair poster, 20x36 inches, each 50c. Above are mounted on red and green mats. A large line of small posters, 8x10, from 3c each upward. Music and picture department, Herpolsheimer & Co.

Miss Alberta Spurck, '00, has accepted a position as an instructor in the summer training school for physical directors at Chautauqua, N. Y. While in the university Miss Spurck has taken a classical course and has also specialized in the department of physical training. During the last three years Miss Spurck has become very proficient in the practice as well as in the theory of her work. At Chautauqua she will instruct in apparatus work, which is the most difficult of all gymnasium exercises.

Trained civil engineers from the University of Nebraska have been constantly in demand by the government and railroad companies. Among the undergraduates who have recently left the university to accept such positions are: Fred B. Ryons, who went to Havana, Cuba, to fill a position in the government corps of engineers; S. D. Clinton, A. T. Groff, E. S. Shinbur and G. H. Tinker, all of whom left to accept similar positions with the Burlington railway company.

The paper on "Literature of India," by Dean A. H. Edgred, Ph. D., of the University of Nebraska, recently published in the home study circle column of the Chicago Record, is of interest to all lovers of literature, and should be of interest to all students. The paper shows that although this literature is very old it reveals some beautiful sentiment. The Hindu literature, though largely religious and philosophical, is also in no small degree secular. The poems which the people sang to their gods are good evidence of their aesthetic spirit.

Professor Burrett, head of the farmers' institute department of the University of Nebraska, reports good interest manifest in the institutes all over the state. Institutes have been held during the past two weeks at Ansley, York, Tamora and Merna, the latter being exceptionally well attended. One day institutes will be in session this week at Fort Calhoun, Friend, Kenesaw, Arapahoe and at Alma. The special feature of these sessions will be the stereopticon lecture on alfalfa growing delivered by Professor S. J. Hunter of the Kansas university.
