The University of Minnesota

**College of Medicine
 and Surgery**

The twelfth Annual Course of Lectures will commence on the 19th day of September, 1899, and will continue eight and one-half months. The course is graded and covers a period of four years. Medical Hall, the Laboratory of Medical Sciences, the Laboratory of Medical Chemistry, and the Laboratory of Anatomy are situated upon the University Campus. The clinical opportunities afforded by the hospitals and dispensaries of Minneapolis and St. Paul are at the command of the College. For out-door clinical service a new clinical building has been built in a central location.

For information address,

DR. PARKS RITCHIE,

DEAN UNIVERSITY OF MINNESOTA,

MINNEAPOLIS, MINN.
