

Subscription price for rest of year, 50c.

Miss Smith, registrar, is ill with the "Grip."

The new term of the school of music will begin January 28, 1901.

The Nebraskan-Hesperian will be sent to anyone for the rest of the school year for 50c.

J. S. Moore returned last Wednesday from Winterset, Iowa, where he has been spending the holidays.

This week J. S. Moore will visit Hastings, Grand Island, Lexington, and North Platte in association interests.

Everybody should take advantage of the opportunity to secure the Nebraskan-Hesperian until June for 50c. Subscriptions received at office.

Miss Blanche Hargreaves came home from the east for Christmas. She will not return to Smith but will enter the university the second semester.

Willard Kimball, Jr., returned home to spend his Christmas vacation with his parents. He has been attending the Shattuck military school in Minnesota.

H. G. Woodroof '01 has accepted a position at the Kearney Military Academy as commandant of cadets. He will also teach mathematics. He will return to the university in time to graduate in the spring.

Professor Barbour made a trip to the state universities of Kansas at Lawrence and at Manhattan, taking full sets of photographs of all the buildings. He also visited Kansas City and mapped in the geology between the Nebraska line and Missouri.

The chemistry department intends to make another effort in placing some edifying and instructive "signs" about the building. Some one has taken the pleasure of "swiping" the others and their places must be filled. It is hoped by the department they will not have to be replaced very soon.

The state historical society has secured two van loads of books and papers from the Capitol. All the duplicate material in the historical library has been classified and is ready for exchange. The rooms are being prepared for inspection by the members of the society during its meeting which will be held on the evenings of January 8 and 9.

During the Christmas vacation Mr. C. A. Fisher visited the western part of Nebraska and the region around Denver, doing work for the U. S. geological survey. He obtained on a ten days collection trip specimens of the fossil horse, fossil rhinoceros, a mammoth, and other animals, together with a list of barite crystals from a newly discovered quarry of lavas deposit at Castle Rock, Colo.

The Union Society elected officers for the winter term as follows:

- President—Mr. F. G. Hawksby.
- Vice-President—Miss Blanche Mickey.
- Recording Secretary—Miss Margaret Maguire.
- Corresponding Secretary—Jennie McGuffey.
- Treasurer—Mr. Stroyer.
- Critic—Mr. Swenson.
- Sargeant-at-Arms—Miss Rena Chapel.

The following new books have been received at the university library for the use of the classes in Missions and Messianic prophecy.

- Bruce—Pauline conception of Christianity.
- Conybeare—Life of St. Paul.
- Gordon—Holy spirit in missions.
- Goodspeed—Israel's messianic hope.
- Thatcher—Apostolic church.
- Willett—Prophts of Israel.

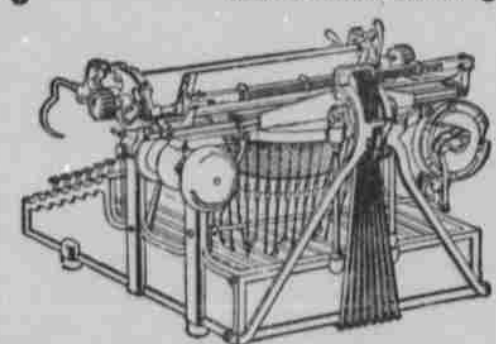

The Palladians elected the following officers for the winter term:

- President—W. G. Hunting.
- Vice-President—Pearl Hensel.
- Recording Secretary—Christine Bedner.
- Corresponding Secretary—Bessie Butler.
- Music Secretary—Clara W. Walton.
- Sargeant-at-Arms L. J. Marsh.

Mr. C. M. Gould a fellow in the department of geology in 1899, who was called to the chair of geology in the university of Oklahoma, made a discovery during the past summer which is of fundamental importance to all geologists. The exact position of the Nebraska Permean and Kansas red beds have been in doubt. During the summer Mr. Gould had the pleasure of finding the first fossils in these beds, which shows plainly that the Permean extends into the red beds, which from this time on will be known as the Permo-thassia.

Among the new students who have registered for the new term are Leon W. Penn, Dunbar, Neb.; Chas. Smith, Lincoln; Edith Thompson, Grand Island; Grace Hays, Centerville, Ia.; Emma M. Clema, Table Rock, Neb.; Marie Mayland, Seward, Neb.; Grace Hicks, Lincoln; Claudius Story, Lincoln; Nina Criss, Pender, Neb.; Minnie Lichtenwalter, Hubbel, Neb.; Gussie Alderson, Madison, Neb.; John Shala, Dodge, Neb.

The University of Minnesota

College of Medicine and Surgery

The thirteenth Annual Course of Lectures will commence on the 19th day of September, 1900, and will continue eight and one-half months. The course is graded and covers a period of four years. Medical Hall, the Laboratory of Medical Science, the Laboratory of Medical Chemistry, and the Laboratory of Anatomy are situated upon the Campus. The clinical opportunities afforded by the hospitals and dispensaries of Minneapolis and St. Paul are at the command of the College. For outdoor clinical service a new clinical building has been built in a central location.
