The historical society has just received a display from the deaf and dumb institute of Omaha. It consists principally of essays, drawings, needle work, and wood work, and is very creditable both in the workmanship and arrangement of the different articles.

C. H. Yost who coached the Nebraska foot ball team in '98 and who was with the Leland Stanford team last season will not return to the California College next year. He is negotiating for the position of head coach at Ann Arbor but as yet no one has been selected for that position.

A new house for college settlement work will probably be purchased by the board in the near future. The committee that has been canvassing for funds has been meeting with marked success. Between \$400 and \$500 have already been subscribed. It is expected that the subscription list will be completed during the present month.

At the meeting of the university senate last Friday evening the matter of allowing the battalion to go into camp next spring was brought up for consideration. After a long discussion it was finally decided to allow five days and a half for the encampment, which will begin Wednesday noon May 29th and end Monday evening June 3rd, at six o'clock. A resolution was passed instructing the registrar to arrange the examination schedule so that the examinations will begin Tuesday morning instead of Monday morning.

GIRLS BASKET BALL GAME.

By a score of 17 to 16 the girls basket ball team of the Omaha high school defeated the girls team of the Lincoln high school last Saturday evening at the auditorium. The game was close from start to finish and while not so fast as the game played by men's teams, it was replete with good plays and team work. The auditorium was well filled with an enthusiastic Lincoln crowd nearly every available seat being taken. It was by far the largest assemblage ever seen at a basket ball game in Lincoln.

Before the girls game and between the halves there was a contest between

the faculty teams of the two schools. After a fast and furious but rather unscientific game the score resulted 8 to 7 in favor of the Lincoln team.

The interest of the evening was centered in the girls game. Lincoln started the game by throwing three goals in rapid succession. This was followed by three successive goals by Omaha and another by the Lincoln team. The half closed with the score 8 to 6 in favor of Lincoln. In the second half after a goal by Omaha which made a tie, the score alternated about evenly between the two teams. The Omaha girls succeeded in throwing five goals from the field and one from a foul. The Lincoln team threw four goals making the score 17 to 16 in favor of Omaha.

Music was furnished during the evening by the Ideal Mandolin Club and the Lincoln high school orchestra.

THE CALL TO THE UNIVERSAL DAY OF PRAYER FOR STUDENTS.

The General Committee of the World's Student Christian Federation at their meeting held in Versailles, France, in August, 1900, appointed Sunday, February 10th, 1901, as the Universal Day of Prayer for Students. The Committee which has appointed this day includes official representatives of the Christian student movements of Germany, Scandinavia, Great Britain, France, the Netherlands, Switzerland, the United States, Canada, Australia, South Africa, as well as Japan, India, Ceylon, China, and other mission lands, including 1,400 student societies, with a membership of 65,000 students and professors. During the past three years this day has been observed in over thirty different countries by Christian students and by people specially interested in the work of Christ among students.

To ensure the most fruitful use of the day the following points should be emphasized:

(1) Let the Christian students of each university and college take advantage of this opportunity both by entering into the heritage of the prayers of Christians all over the world on behalf of students, and by putting forth wise, earnest effort; and let the day give a marked impetus to the work of Christ among students. It should be characterized, as in other years, by real spiritual awakenings.

(2) Wherever practicable let the Saturday preceding or the Monday following Sunday, February 10th, be devoted by the Christian students to special meetings and to personal dealing.

(3) The prayers of the Church should be enlisted on behalf of the progress of Christ's Kingdom among students. To this end let the Call to Prayer, together with facts regarding the student movement, be printed in the religious papers. Let clergymen be requested to preach sermons in the interest of the spiritual welfare of students, and to call forth more prayer for students.

(4) Let the primary object of the day be borne in mind and realized: the promotion of intercession on behalf of students. The great need in all parts of the student world is that of a mighty manifestation of the power of the Gospel of Jesus Christ. The Word of God and the history of the Church prove abundantly that such a work of the Holy Spirit is a direct result of definite, fervent, and believing prayer.

On behalf of the general committee of the World's Student Christian Federation, Karl Fries, Chairman, Stockholm, Sweden. John R. Mott, General Secretary, 3 West 29th Street, New York City.
