RUSH MEDICAL COLLEGE

IN AFFILIATION WITH
 THE UNIVERSITY OF CHICAGO

ORGANIZED 1837

The academic year of Rush Medical College is divided into four quarters corresponding with those recognized with the University of Chicago, beginning respectively the first of July, first of October, first of January, and first of April, each continuing for twelve weeks. A recess of one week occurs between the end of each quarter and the beginning of the next following.

The general course of instruction requires four years of study in residence, with a minimum attendance upon three quarters each year. A student may begin his college work upon the first day of any quarter, and may continue in residence for as many successive quarters as he desires. Credit will not be allowed, however, for more than three consecutive quarters. At least forty-five months must elapse between the date of a first matriculation and the date of graduation.

 CHICAGO, ILLINOIS.
