Baseball Team Returns After a Successful Trip—Nine Games out of Fourteen Won—Summary of the Week's Games.

The baseball team returned from its eastern trip Sunday morning. From every point of view the trip was probably the most successful ever taken by a University of Nebraska team. Out of fourteen games played nine were won. One of the losses was to a strong professional team. The other losses were due in almost every case to individual errors and not to poor team work.

The game at Notre Dame was played after an all night's ride on the train. This defeat was due to the bad condition of the men, so that the best of them fell down at critical points. The Nebraska team made fourteen errors, while the Catholics had but nine charged against them. Nebraska did some hard hitting, knockink three pitchers out of the box and finally forcing them to put in Fleet, their star man, and even from him they were able to get three singles, a three-bagger and a home run.

In the contest with the South Bend professionals, Nebraska had the game won until the last half of the ninth inning, when it began to rain, allowing the "Greens" to run in enough scores to change the balance.

At Bloomington the team went directly to the grounds from the train. In the last half of the ninth the score stood 3 to 4 in favor of Nebraska. Here Raymond dropped a ball and let a man safe on first who afterwards completed the circuit, tying the score. With a little aid from the umpire they succeeded in getting another run in the eleventh, and won by a score of 4 to 5.

The game with Purdue was ours until the sixth, when De Putron muffed a fly and let a man in. After that it was a walkaway for the Indianians.

The team for the most part did excellent work individually. Townsend will probably lead the batting list. Gaines also did some hard hitting and did excellent work in the box. In every game he was well supported by the team. Hood at third and Rhodes at short did their usual good work. Bell played almost errorless. Behind the bat Finley and Doan both did good work and successfully prevented base stealing.

Financially the trip was the most successful ever taken by a Nebraska team.

The second week of the trip opened with the team at Columbia, Mo., where two games were played. The game on Monday was very one-sided. Bender was in the box and played a star game. Only seven hits were charged up against him, and with fifteen chances he failed to make a single error. Up to the fifth inning the two playing was tied, Veath the Tiger of the Nebraskans down they the fifth inning, and him and inning. The score to de-

sired. As it was, they scored one each in the eighth and ninth. The Tigers were unable to bring in more than three men, one each in the first, second, and seventh. The score:

Nebraska 1 1 0 0 5 5 0 1 1—14
Missouri 1 1 0 0 0 1 0 0 0—3

Hits—Nebraska 7, Missouri 7.

Errors—Nebraska 6, Missouri 14.

Batteries—Nebraska, Bender and Finley; Missouri, Veath and Washer.

On Tuesday the second game with Missouri was played. The work of both teams was poor, especially in the field. Nebraska had no difficulty in hitting the Tiger pitcher. The work of the Missouri infield was also coarse. The visitors stole bases at will. The Missouriians hit hard for the first four innings and made their ten runs during that part of the game. During the last half they were helpless against Townsend's hot ones. The Cowboys scattered their sixteen runs along the first six innings, starting with five in the first, which was increased by one in the second, six in the fourth, and one and three respectively in the fifth and sixth. The score:

Nebraska 5 1 0 6 1 3 0 0 0—16
Missouri 3 0 4 3 0 0 0 0 0—10

Hits—Nebraska 10, Missouri 7.

Errors—Nebraska 10, Missouri 5.

BASEBALL

Highland Park vs. Nebraska

WEDNESDAY, MAY 22

Highland Park has won from these teams this season: Des Moines League, 9 to 6; Cornell College, 9 to 1; Kansas State, 3 to 2; Grinnell, 3 to 0; Western College, 6 to 0; Upper Iowa University, 16 to 1; Simpson College, 31 to 6. Still College, 4 to 0 and 17 to 1

Batteries—Nebraska, Townsend and Doane; Missouri, Dempsey, Varth and Washer.

Fifteen to six was the way it stood on Wednesday and William Jewell college was the victim. The Cowboys were winners from the start. The ease with which they found the ball and the costly error of the Baptists did the work. Bender was in the box and held the home team down to six hits. Their six runs were due to careless playing by the Nebraska team. The score:

Nebraska 1 0 1 2 2 0 6 0 3—15
Wm. Jewell 1 1 0 0 0 0 0 4 0—6

Hits—Nebraska 10, Wm. Jewell 6.

Errors—Nebraska 5, Wm. Jewell 12.

Batteries—Nebraska, Bender and Finley; Wm. Jewell, Harrison and Jones.

For the second time this season the Jayhawkers fell a victim to their northern rivals. This was on Thursday. It had been raining and had stopped only a short time before the teams went on the field. But in spite of a muddy diamond, Nebraska played a brisk game. Gaines held the Kansans down to four hits. In the first eight innings they were able to find him for but one hit. In the ninth they were able to bring in two men. Nebraska hit heavy. Alphin, the
