VANITY FAIR

SMOKING.

In placing this new Tobacco before the public,
we do not propose to disclose our special claims
and improvements, for the reason that in every
instance where we have introduced new articles,
it has been the custom of manufactures of inferior
productions to adopt our precise claims to ob-
tain notoriety. We will, however, make one
broad assertion, that no tobacco has ever been
produced possessing so many valuable requisites.

The standard of our world-wide and reliable
brand.

VANITY FAIR

will ever be maintained, and such improvements
added from time to time as are the results of our
unremitting efforts to place upon the market a
Tobacco which shall meet all the demands of the
connoisseur.
