**National School Supply Bureau.**

BELOIT, Wis., July 31, 1888.

*National School Supply Bureau:*

Last April, being then in charge of a large public school, but desiring a position in some good academy or college, I placed my name with your Bureau. During the first part of the present month I received notice from you of a vacancy in such a place as I desired.

Putting myself in communication with the party concerned I received the appointment. I am well satisfied with the management of the Bureau, and feel sure that it fills a useful and necessary place in our school economy. You are at liberty to use my name if you wish.

Respectfully,  
EDWARD O. FISK,  
Headmaster Markham Acad., Milwaukee Wis.
