**Nationa' School Supply Bureau.**

BELOIT, WIS., July 31, 1883.

*National School Supply Bureau:*

Last April, being then in charge of a large  
public school, but desiring a position in some  
good academy or college, I placed my name  
with your Bureau. During the first part of the  
present month I received notice from you of  
a vacancy in such a place as I desired.

Putting myself in communication with the  
party concerned I received the appointment.  
I am well satisfied with the management of  
the Bureau, and feel sure that it fills a useful  
and necessary place in our school economy.  
You are at liberty to use my name if you wish.

Respectfully, EDWARD O. FISK.
