Nationa School Supply Bureau.

BELOIT, Wis., July 31, 1883.

National School Supply Bureau:

Last April, being then in charge of a large
public school, but desiring a position in some
good academy or college, I placed my name
with your Bureau. During the first part of the
present month I received notice from you of
a vacancy in such a place as I desired.

Putting myself in communication with the
party concerned I received the appointment.
I am well satisfied with the management of
the Bureau, and feel sure that it fills a useful
and necessary place in our school economy.
You are at liberty to use my name if you wish.

Respectfully, EDWARD G. FISK.
Headmaster Markham Acad., Milwaukee Wis.
