National School Supply Bureau.

BELOIT, WIS., July 31, 1883.

National School Supply Bureau:

Last April, being then in charge of a large public school, but desiring a position in some good academy or college, I placed my name with your Bureau. During the first part of the present month I received notice from you of a vacancy in such a place as I desired.

Putting myself in communication with the party concerned I received the appointment. I am well satisfied with the management of the Bureau, and feel sure that it fills a useful and necessary place in our school economy. You are at liberty to use my name if you wish.

Respectfully, EDWARD O. FISK.
