SILVER CREEK.

From the Standard.
Mrs. L. R. DeFrance of Columbus is spending the week with her parents Mr. and Mrs. Nathan Dozey, and sister Mrs. Sol. O. Towalee.

Ed Young, the young burglar who went through Charlie Brown's house a couple of weeks ago, plead guilty to the charge of burglary before Judge Hollenbeck Wednesday and was sentenced to 90 days in jail. He got off easy.

The thoughtfulness of Ed Potter brought to our table an account of the death of Robert E. McComb, who lived about 8 miles west of this town some years ago. He died at Gibbon, Nebr., Sunday, Oct. 17. His wife was formerly Miss Jessie Currier of Genoa and seven young children are left to mourn for him.

ALBION.

From the News.
E. T. Long of St. Edward took the early train here Saturday morning for Chariton, Ia., to attend the funeral of his brother, W. S. Long, who was one of the old settlers of Boone county.

Word reached here Wednesday morning of the death of Harry Harris at Dallas, S. D., as a result of a stroke of paralysis. Mr. Harris was formerly a resident of Petersburg, being employed as assistant cashier of the Petersburg bank.

Doug Shawvan has an offer for corn husks to use in the manufacture of hot tamales of \$75.00 per ton f. o. b. Albion. Samples were sent him of the shape they were wanted. It is the whole corn husk except the coarse colored outside. A sharp chisel is thrust through the husk, cutting off the stem of the ear which is removed from the tip. It would seem as though wages could be made preparing the husks.

BELLWOOD.

From the Gazette.
School children of a certain eastern school have been warned by means of printed slips pasted in their text book, by order of the board of health, not to moisten their fingers to turn the leaves of books or count money, not to suck pencils or hold money in the mouth, and not to "swap" candy, gum, half eaten

MONROE.

From the Republican.
Mrs. M. Sheridan returned to Columbus Tuesday accompanied by Miss Daisy Griffin.

Mrs. Dan Melcher of Bonsteel, S. D., who has been visiting her mother, Mrs. Noonan, returned home Tuesday.

W. E. Huffer arrived home last Saturday from Ithaca, Ohio, where he was called by the death of his brother's wife.

Mrs. Alex McLean and baby of Seward, were guests of her uncle, A. M. Work and wife, the latter part of this week.

Kenneth, Fred and Robert Strother of Columbus are spending the vacation with Monroe relatives, coming up Wednesday.

Mr. and Mrs. Fred Weber drove up from Columbus Sunday and spent the day with Mr. Weber's sister, Mrs. Geo. Ifland.

Mrs. J. White of Lincoln, who has leased the Commercial hotel, has it thoroughly cleaned up and ready to take care of the traveling public, beginning with Monday of this week. Mrs. White has had considerable experience in the hotel business and will make the Commercial a good place to stop.

Miss Lillian Bennett attended the meeting of the teachers' association, which was held in Lincoln this week, leaving Wednesday evening. The board of education granted leave of absence to all the teachers to attend the meeting, and Miss Bennett was the only teacher from Monroe who attended.

As Henry Clayburn was driving home from town Monday, his fine single driver became frightened at a hole in the bridge, gave a jump and broke the shaft. He then started to kick and struck Mr. Clayburn on the hand, breaking two knuckles. Henry succeeded in backing the horse into some machinery standing near and probably avoided being killed outright. He went to a doctor and had the injured member dressed, and is getting along nicely.

Tom Gately, the well known wrestler, will be here and wrestle for the benefit of the Monroe Athletic Association. Gately has wrestled in handicap matches with such noted experts of the mat as Farmer Baras and Tom Connors the champion of England. He holds the 168 pound championship of the state of Nebraska. Gately agrees to throw Jess Chandler our local lightweight champion and the Rev. F. R. Wedge, each twice in one hour or loses the match. Both of our men are training hard in the gymnasium and taking long runs.

GENOA.

From the Times.
This story was told by a preacher: A man died and went to the Bad Place, where he took on a pompous and overbearing manner. Finally, the devil approached him, and said: "Who are you, anyway? You act as though you owned this place." "I do own it," replied the man. "My wife gave it to me before I died."

Now that churches have reached that point when most of them no longer consider dancing wicked, and preachers have stopped warring against the so-called amusement, dancing has gone out of style, probably never to return. The only joy people ever took in dancing was that they were forbidden to indulge in it. Now that no one cares whether they dance or not, the people have decided it is tiresome, and a dance is as poorly attended as the average prayer meeting. The women say there are no grown men in a ball room and they are compelled to dance with high school boys, many of whom they have probably wheeled around in go carts, as babies. It is said that in cities, when a woman wishes to give a ball, she hires dancing men as partners for her young women guests, and as a consequence, there is a rule in etiquette that no woman is obliged to recognize a man to whom she has been introduced in a ball room. The whisky habit is coming to the same fate as that of dancing, the people are finding out for themselves that there is no pleasure in drinking whisky, and are letting it alone. When the Reformers let the people alone, it is surprising how well they do.—Athens Globe.

PLATTE CENTER.

From the Signal.
At St. Joseph's church, on Wednesday morning, Nov. 3 was solemnized the marriage of Miss Margaret Hagan of this place and Mr. John Lycke, of Columbia, Rev. Father Angeline performing the ceremony.

Paul Moore, brother of Mrs. J. E. Cassatt, began Wednesday morning tearing out the machinery in the old mill, preparatory to moving it. If more than one man is not provided it will be a long time before the mill is ready to move.

Dan Maher, who was democratic candidate for sheriff of Wayne county, telephoned his brother Jim here that he was beaten by 350 votes. He made a good run, however, as the republicans outnumber the democrats two to one in that county.

Last Saturday Denny Roberts purchased C. L. Schuler's farm, 160 acres, paying \$66 an acre for it. This is a good farm, located twelve miles northwest of Platte Center, in Joliet township. It is about the same distance from Lindsay, and the fact that it is so far from market shute it out from the "high price" list.

B. H. Schroeder arrived here from Fresno, S. D., on Monday evening's freight. He drove his horse as far as Creighton, where he left it and made the balance of the journey by train. He left again Wednesday morning for Creighton, where he will enter a bank as cashier. Mrs. Schroeder will remain here for the present.

HELPFUL HINTS ON HAIR HEALTH.

Scalp and Hair Troubles Generally Caused by Carelessness.

Dandruff is a contagious disease caused by a microbe which also produces baldness. Never use a comb or brush belonging to some one else. No matter how cleanly the owner may be, these articles may be infected with microbes, which will infect your scalp. It is far easier to catch hair microbes than to get rid of them, and a single stroke of an infected comb or brush may well lead to baldness. Never try on anyone else's hat. Many a husband is a resting place for microbes.

If you happen to be troubled with dandruff, itching scalp, falling hair or baldness, we have a remedy which we believe will completely relieve these troubles. We are so sure of this that we offer it to you with the understanding that it will cost you nothing for the trial if it does not produce the results we claim.

This remedy is called Rexall "98" Hair Tonic. We honestly believe it to be the most scientific remedy for scalp and hair troubles, and we know of nothing else that equals it for effectiveness, because of the results it has produced in thousands of cases.

Rexall "98" Hair Tonic is devised to banish dandruff, restore natural color when its loss has been brought about by disease, and make the hair naturally silky, soft and glossy. It does this because it stimulates the hair follicles, destroys the germ matter, and brings about a free, healthy circulation of blood, which nourishes the hair roots, causing them to tighten and grow new hair. We want everybody who has any trouble with hair or scalp to know that Rexall "98" Hair Tonic is the best hair tonic and restorative in existence, and no one should scoff at or doubt this statement until they have put our claims to a fair test, with the understanding that they pay us nothing for the remedy if it does not give full and complete satisfaction in every particular. Two sizes, 50 cents and \$1.00. Remember you can obtain Rexall remedy in Columbus only at Pollock & Co.'s drug store on the corner.
