AND RURAL DELIVERY.

Present Administration Began With Big Deficit, and It Has Gone On Increasing.

the largest deficit in the history of ficit in the department aggregated only a few millions of dollars annually, little attention was paid to it. but when, in the last few years, it leaped to upward of \$10,000,000, and, finally in 1908, exceeded \$17,000,000. "ordinary business prudence suggested that the causes be definitely located."

These are statements in the annual report, of Postmaster General Frank H. Hitchcock. Concerning the results of inquiries into the deficit, the postmaster general says:

"Recent investigation have shown that the two great sources of loss to the postal revenues are second-class mail matter and rural delivery.

"The loss on second-class mail matter has been increasing for many years, until it now amounts to \$64,-000,000.

"The loss from rural delivery, a service begun hardly a dozen years ago and of unprecedented growth. reached as high as \$28,000,000. "In these two items alone the

postal service now suffers an annual Simultaneously with the growing deficit in the postal service, the nation's income suffered last year a serious depletion incident to the New York city who died at their posts financial depression. Thus it hap-
