The Grand Council of the Provincial Workingmen's Ass'n of Canada has declared in favor of severing all connections with unions in the U.S., saying "any union having its seat of Gov't in America, and pretending to be international in its scope, must fight industrial battles according to American methods. Said methods have consequences which are abhorrent to the law-abiding people of Canada involving hunger, misery, riot, bloodshed and murder, all of which might be termed as a result of the practical war now in progress in our fair provinces and

directed by foreign emissaries of the United Miners of America." That is an honest Canadian view of our infamous "Labor Trust." A few days ago the daily papers printed the following:
