

A TRIP TO CALIFORNIA.

The Great Rock Island Route is now running a tourist car, leaving Albert Lea every Monday afternoon on the Minneapolis & St. Louis railway, and via Albert Lea, Livermore, Ft. Dodge, Angus, Des Moines, Omaha, Lincoln, Phillipsburgh and Pueblo, runs over the Scenic and Ogden routes to San Francisco and Los Angeles.

REMEMBER.

This is a Phillips-Rock Island tourist car, and is accompanied by a tourist conductor through to the coast, and runs on the fastest trains, and a second class ticket takes you in this car.

The rate for berth reservation is low, being only \$4 through to the Pacific points, and proportionately less for points en route, and there is no better way to take in the great mid-winter fair. To those who cannot go Tuesdays the great Rock Island route runs another tourist car, leaving Minneapolis every Thursday morning, via Albert Lea, Cedar Falls, Cedar Rapids and Columbus Junction to Kansas City, and on to Pueblo over the Scenic route and Southern Pacific runs to San Francisco and Los Angeles.

What We Believe—Investigation Desired.

We believe the general equipment of the entire North Western line system, 7,961 miles, is unequalled in this country; that it has the best road bed and best system of safety appliances west of Chicago—as good as any east of Chicago;—that it is, as the trains run, the short line to Chicago, Milwaukee, etc.; to St. Paul and north west and to Black Hills towns, That it carried the greatest number of people to the world's fair, and without an accident to anyone. Perhaps you begin to think we are stuck on the North Western line? We are and want you to know it, and say you would be too, if you used it. Try it. Correct information as to routes, rates, etc., supplied *cheerfully*.

From the Mayor.

Lincoln, Neb., March 20, 1894.

To whom it may concern.

I desire to commend to my friends and to all the friends of municipal reform, Captain W. H. Hunter, candidate for police judge on the independent ticket. I have known him long and favorably and feel entirely satisfied that if elected he will perform the duties of the office and enforce the laws properly and with justice to all concerned. I believe him competent and that he will support the effort to place our city on a higher moral level than it has heretofore occupied. I hope that you will investigate his character and standing and fitness and give his claims a hearing.

Very truly,

A. H. WEIR.

PROF. NIEL,

government chemist, writes: I have carefully analyzed your "Royal Ruby Port Wine," bought by me in the open market, and certify that I found the same absolutely pure and well aged. This wine is especially recommended for its health-restoring and building up properties; it strengthens the weak and restores lost vitality; particularly adapted for convalescents, the aged, nursing mothers and those reduced and weakened by over-work and worry. Be sure you get "Royal Ruby"; \$1 per quart bottles, pints 60 cts. Sold by
