may be avoided. It comes from a germ that takes root and grows only when the System is Weak and Lungs are affected.

DE LA GREEN, Plaintiff.
By A. B. COFFROTH, his attorney.
Dated Lincoln, Nebraska, April 11, 1894.

RESURRECTION.

Dead lay the singer in her fleecy shroud,
Her round arms crossed upon her snowy breast.

The weeping mourners' heads in grief were bowed,

To see their idol in eternal rest.

"Dead!" wailed one stricken weeper, kneeling there

In mute abandonment of utter grief.

The others made grim gestures of despair;
Their tears unto their pain brought no relief.

Yes, there she lay, the chorusgirl so sweet—
The Johnnies' idol—free from all her woes,

Placid in death, until unto his feet

The kneeling manager abruptly rose.

He threw himself beside that gentle clay,

And softly whispered in her shell-like ear:

"Your salary is doubled from today!"—

The corpse came back to life and called for beer. —Town Topics.

Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give Five Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
