### A PROVERB PROVEN.

A newboy generally has anything you want. If you ask for to-morrow's paper, you can have it as easily as to-day's. Most people do not look at the paper when purchasing, but take the boy's word for what it is and slip it into their pocket.

A boy is standing on the street corner. There has been a prize fight and consequently he has only one paper left. It is the 3 o'clock edition.

A man comes rushing by as if he thought his wife were behind him with a man with whom she is eloping, and is afraid she will see him and he will see her and she will know that he knows she knows he sees her.

"Paper, boss? Only one left!"

"Five o'clock edition?"

"Yeesser."

"Oh, I wanted the three o'clock."

He rushes on and jumps on a car.

"An' me havin' de tree o'clock paper all th' time! Well, honesty is de best policy, and dat's enough ter make a feller turn honest!"

FRED RAPER.

### Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give Five Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
