WHEN WE CLEAN HOUSE.

When we clean house my life is cold and bleak;

When we clean house I'm homeless for a week.

My wife, she works away,
And "airs the house" all day—
Oh, what a disarray

When we clean house!

When we clean house I feel that I have sinn'd;

When we clean house I mostly live on wind.
We have our little snacks,

And live on beats and whacks,
And soap and carpet tacks,

When we clean house.

When we clean house woe fathomless is mine!

The "things" are shook and hung up on a line.

I cannot find my clothes,
And where my meerschaum goes
The dear Lord only knows,

When we clean house.

Deafness Cannot Be Cured.

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give Five Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
