AS IT MAY BE.

"Will you," he asked in trembling, hopeful tones, "be mine?"

"Hardly," she responded, in a rich, bass voice.

"You have given me hope that you would," he pleaded.

"How?"

"By almost promising me that you would not reject me."

"That is another thing," she replied in a softer tone. It gave him great hope.

"Ah, then, you will be my wife?" he exclaimed, with a brighter light in his face,

"Hardly that, I think," she told him with the chill again in her voice.

This made him almost desperate!

"Why do you treat me thus?" he implored. "What would you have me do?"

She drew herself up proudly, almost defiantly.

"Do?" she exclaimed. "Do?" Ask me if you may be my husband."

And he loved her so that he obeyed her, and he obeyed her ever afterward.

Humphrey's Specific No. 10 cures Dyspepsia, Indigestion and Weak Stomachs. A small bottle of Pleasant Pellets; just fits the vest pocket—25 cts by all druggists.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurably. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address.
