DARTS WELL AIMED.

Mrs. Breezly—Do you believe those stories about men selling their wives?

Breezly—Oh, I don't know, there are some fools who would buy anything.

Mr. Sappy—Yaas, I can drink lots of whiskey and not feel it.

She—It must go to your head.

Hardup—Hello, Charlie, your trousers bag at the knees!

Dedbroke—I wish they bagged at the pocketbook!

Lady—Of course you are always looking for work.

Tramp—Certainly. Eternal vigilance is the price of liberty!

He—(passionately) I love you!—I LOVE YOU!—I LOVE YOU!

She—I beg pardon, what did you say?

“Do you speak French?”

“No, but I can eat in it!”

“Sir, you are an educated pig.”

“Why didn't you go to college?”

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurably. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address.
