

"For Years,"

Says CARRIE E. STOCKWELL, of Chesterfield, N. H., "I was afflicted with an extremely severe pain in the lower part of the chest. The feeling was as if a ton

weight was laid on a spot the size of my hand. During the attacks, the perspiration would stand in drops on my face, and it was agony for me to make sufficient effort even to whisper. They came suddenly, at any hour of the day or night, lasting from

thirty minutes to half a day, leaving as suddenly; but, for several days after, I was quite prostrated and sore. Sometimes the attacks were almost daily, then less frequent. After about four years of this suffering, I was taken down with bilious typhoid fever, and when I began to recover, I had the worst attack of my old trouble I ever experienced. At the first of the fever, my mother gave me Ayer's Pills, my doctor recommending them as being better than anything he could prepare. I continued taking these Pills, and so great was the benefit derived that during nearly thirty years I have had but one attack of my former trouble, which yielded readily to the same remedy."

We have seen a number of watch chains ornamented with a pretty charm in the shape of a watch case opener, which obviates the use of a knife or fingernail to open the watch. They are sent free on request by the Keystone Watch Case Company, of Philapelpia, Pa. Your jeweler here may have one for you; if not, send to Philadelphia.

The Keystone Watch Case Company is the largest concern of its kind in the world. Its capacity is 2500 cases per day. It manufactures every description of case, but its great speciality is that most popular of all watch cases, the Jas. Boss gold filled. These are equal in beauty and wear to solid gold—while they cost only about half as much. Boss and other Keystone cases are the only cases that have the non-pull-out bow or ring, which saves the watch from theft and accident. The Keystone Company does not retail, but our local dealers handle the cases and swear by the theft-proof qualities of the ring.

Alleged Gornicalities.

Miss Prudeleigh—Sir, how dare you?

Mr. Ratler (who has stolen a kiss)—Excuse me, I never would have done it in my sober senses.

Miss Prudeleigh—Oh, indeed!

Bildad—I understnad you have been making love to my wife.

Tapleigh—Er—er—

Bildad—I want to give you a warning!

Bildad—Look at me, and see what you'll come to if you persist. Good day.

First Man (to man who has tramped on his foot in the cable car)—Damned fool!

Second Man (bowing)—Glad to know you sir.

He pleaded in vain.

"You loved me once," he exclaimed, bitterly.

"Yes," she answered, "before I understood the game."

The girl was obdurate and there was nothing for the professional umpire to do but to bow to his cruel fate.

Old Soak (stumbling)—****

Mrs. Soak—Did you speak to me, darling?

Old Soak—No, m'dam, I wash 'dressin' th' chair.

Cholly Quickwit—Who was that round-shouldered, ill-dressed little cad I saw you with this morning?

Ethel (freezingly)—That, sir, was my fiance.

Cholly—Good Gawd! You don't say so! What a magnificent contrast you will make.

Old Crusty (calling over the stairs)—Maria, is that young man going soon?

Maria—I guess he's gone already, pa, by the way he's acting.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

In Agony

15 Years With Salt Rheum

Hood's Sarsaparilla Gave a Perfect Cure.

"C. I. Hood & Co., Lowell, Mass.:"

"Hood's Sarsaparilla is an excellent medicine. I had eczema in my left leg for fifteen years. Part of the time my leg was one mass of scabs, and about every week corruption would gather under the scabs and the scabs would slough off.

The Itching and Burning

sensation made me suffer indescribable agonies. I spent a great deal of money for different remedies but did not get relief. About a year ago, leading physicians advised me to take Hood's Sarsaparilla. I did so and have taken five bot-
