

A Gentleman

Who formerly resided in Connecticut, but who now resides in Honolulu, writes: "For

20 years past, my wife and I have used Ayer's Hair Vigor, and we attribute to it the dark hair which she and I now have, while hundreds of our acquaintances, ten or a dozen years younger than we, are either gray-headed, white, or bald. When asked how our hair has retained its color and fullness, we reply, 'By the use of Ayer's Hair Vigor—nothing else.'"

"In 1868, my affianced was nearly bald, and the hair kept falling out every day. I induced her to use

Ayer's Hair Vigor, and very soon, it not only checked any further loss of hair, but produced an entirely new growth, which has remained luxuriant and glossy to this day. I can recommend this preparation to all in need of a genuine hair-restorer. It is all that it is claimed to be."—Antonio Alarrun, Bastrop, Tex.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

Like a Miracle

Pains in Side and Breast

Despaired of Help, but Hood's Sarsaparilla Cured.

"C. I. Hood & Co., Lowell, Mass.:

"I am glad to state my son's experience with Hood's Sarsaparilla, as it was the means of saving his life. Last fall he was taken ill with pains in his breast and side. He had the best medical attendance possible, and was treated by the doctors for some time, but did not realize any relief. He could not lay down day or night, and

People going east should remember that the North Western (Elkhorn) line offers a morning and afternoon train for Chicago and the time is equal to the best. The morning train and connections enable passengers to reach many points in central and northern Iowa in one day. The general equipment and tracks of this line is unequalled. Try the Northwest line.
