Scott's Emulsion

is not a secret remedy. It is simply the purest Norway Cod-liver Oil, the finest Hypophosphites, and chemically pure Glycerine, all combined into a perfect Emulsion so that it will never change or lose its integrity. This is the secret of Scott's Emulsion's great success. It is a most happy combination of flesh-giving, strengthening and healing agents, their perfect union giving them remarkable value in all

WASTING DISEASES.

Hence its great value in Consumption, wherein it arrests the wasting by supplying the most concentrated nourishment, and in Anæmia and Scrofula it enriches and vitalizes the blood. In fact, in every phase of wasting it is most effective. Your doctor will confirm all we say about it. *Don't be persuaded to accept a substitute!*
