IT'S ALL TALK
AND YOU KNOW IT.

Much of the "Gombination" advertising of the grocers of the time is pure sham. You'll save more money in a year by dealing with a reliable house that studies your needs, than by investing in the catch-penny "combination" in which you get 20 and 30 lbs. of sugar for \$1.00 and pay 40 c for 10 c worth of something else. We've done some shrewd buying this season and the goods and our prices show it. Come and see if this is not so.
