

Miss Ada Heaton is learning to ride. Bruce Gilbert has returned from York. Miss Crow, the glove saleslady at the Famous is riding a new Victor. Ed Bowen proved himself as good a water athlete as he is a cyclist. D. F. Hadley has gone to Fairmont on his wheel for a week's vacation. J. D. Parker, the 245 pound alderman, is now seen astride a 25 pound Rambler. Lou Trester recovered his Contaur wheel this week, it having been stolen nearly a year ago. Dr. W. W. Vance and Ed B. Beman Dawes, of the Lincoln Cycle Co., is again rolling around the streets on a Syracuse, having returned from his visit to Marietta, Ohio.

J. E. Benson recently rode in from Argoe, Neb., 85 miles, in 7 hours and 30 minutes on his 17 pound Smalley racer. Argoe is Jule's old home and he spent his vacation there.

Two race meets will be held at Lincoln within a month. One on Merchants Day, August 15th with eight events and one during the fair September 12 and 13 with five events. These meets will give the boys who are training a chance to get even for the time they are putting in on the track.

The pleasures of the picnic given by the ladies of the 4 C's to the masculine contingent Wednesday night were suddenly and sadly terminated by the death by drowning of Mr. Colby, an attaché of the park. The boys adjourned to the bank of the creek instantly and rendered all the assistance they could until the body was found.

Eleven members of the Capital City Cycling Club made more than a century of miles last Sunday on the run to York and return. The distance 124 miles was made in the actual running time of 9 3/4 hours. Ed Allen, Chas. Thompson, Walt Hunter, Burt Taylor, Alva Halley, Oreal Ward, Henry Peters, Jo George, Harry Harley, Joe Sullivan and C. F. Phillips were the members who accomplished the ride.

On Wednesday evening the ladies of the 4 C's took charge of the regular weekly run of the club and turned it into a summer's eve picnic beneath the

trees at Lincoln Park. Part of the club went out on wheels and part on the street cars. Arriving at the park the tables were arranged and the refreshments partaken of. Later in the evening all adjourned to the auditorium of the theatre and dancing was indulged in by those who desired. Those present were: Mesdames L. A. Prindle, F. T. Dean and Rose Cochrane. Misses Hatch, Rolfe, Brockelmeyer, Herpolsheimer, Sterling and Crooks. Messrs. Spense, Howe, King, Will and Ed M. The Nebraska Exposition Association and Lancaster County Agricultural Society will hold its annual exhibit in this city on September 9-13th. I call attention to this from the fact that this association has recognized cycling in the proper manner and has hung up a string of prizes for two day's racing viz Sept. 11th and 12th in which there will be five events. Three events the first day—One mile novice, quarter mile open and one mile open, all class A, with prizes ranging from \$2.00 to \$35.00. Second day two events, half mile open, Class A, and half mile open Class B. Prizes aggregate a value of \$76.50. The association is to be commended for its action and the cycle fraternity should see that they are rewarded. Z. S. Branson, of Waverly, will be in charge of the races which will be held under the auspices of the C. C. C. Club of this city.

**POLITICAL NOTES.**

Maxey Cobb, of Deaton, is serving his first term as treasurer, and he will have no opposition for renomination. He has made an excellent record as county treasurer, and is one of the most popular officials now serving the county. Maxey has friends all over the county, and when his name is presented to the convention he will be immediately renominated by acclamation. Mr. Cobb is a good republican and a competent, industrious official. He is 43 years of age and has resided for over twenty years in Lancaster county.

W. S. Scott will undoubtedly be nominated for county surveyor. He has given excellent satisfaction in that office.

**"Money Saved is Money Earned."**  
**"The Best is always the Cheapest."**

These two Proverbs do not conflict but are synonymous. They are condensed statements; meaning that the world's experience is that money is not saved by buying low priced goods.

Bicycling is in its infancy but has given us two phrases equally true and equally synonymous with the above. They are:

**"Get the Best."**  
**"Get the Rambler"**

**TRUTH PROCLAIMED.**
